and House, mad House.

WASHINOTON, April 24. — The
Senate bill appropriating \$50,000
or an equestrian statue at Mancheser, N. H., of Major-General John
Start, was passed.
This House bill to transfer the
green cutter service from the
freasing begintfinent to the Navy
begartment was again taken up. An
machilment was again taken up. An
machilment reported from the comnities on mayal affairs was agreed
o.

he committee on privitees and selections reported, "as an original measure," a bill to ancest and supplement the selection have of the selection have of the property of the selection have of the more efficient enforcement of such laws. Placed on the calcular.

Fugh said that very democratic members of the committee were opposed to a favorable expert on the bill, which, he said, applies to republican supervisors to oversee State officers, thereby insulting and degrading these State officers. It is subversion of the fundamental principles of local self-government. If this bill becomes a law, its execution will insure the shedding of blood and the destruction of the fundamental blood and the destruction of

Wammiores, April 21. — The fonce went into committee of an while on the legislative appropriation bill. When the chuse propriation bill. When the chuse propriation bill. When the chuse twice Commission was reached, unumings (N. Y.) made the point fusible that it was not properly in he fall, as the commission was rechested by the control of the commission with reduction to the commission with reduction to the commission with reduction of the commission with the control of the commission with the commission with the commission of the commission with the commissi
