BATTLING NELSON DEFEATS CONOLE.

Fierce Battle of Eighteen Rounds—Chicago Boy Lands Knockout.

AS PREDICTED BY MURPHY.

Little Fighter Who Defeated "Spider" Welch at the Salt Palace, is Climbing to the Top.

The result of last night's contest at San Francisco, between Battling Nelson and Martin Conole, is not a great surprise to the large number of local fight fans who saw the Chicago boy defeat "Spider" Welch, in their bout before the Shamrock athletic club recently.

Murphy certainly called the turn. According to the dispatch giving an account of the fight, Conole had all the better of the contest on points, but when it came to inflicting and setting a grueling pace, he was not equal to Nelson.

"I look for Conole to display more cleverness than Nelson, and I expect he will land more often and prove to be much faster in every way. But for all that, I don't believe there is a 100 pound man living who can put Nelson away.
