CROWNING THE OLDER FIGARERS.

The incident of crowning the alloes Finance, as it occurred to the Teal-reaction of the Teal-reaction of the Teal-reaction of the Teal-reaction of the Interest, the worthy of a place in sangle of vory among the people of this time-investant country. The season inside we story among the people of the interest country in the most of the throng, and wishle is all, ast President Wilford Wordright, he made of the throng, and wishle is all, ast President Wilford Wordright, he can be reached by the through the through the time that the presidency of the Church and whe has passed to the epith world that the presidency of the Church and whe has passed to the epith world. Present along Teal-reaction to the continuous and whe has passed to the epith world. These countries of the children of University with hours weath, and the igrous seclamations of the sudment, as the present world to the children of the countries of the present should have always the throught the children of the present should have always the throught the children of the present should have a throught countries have come to the mitod of President Woodruff, whose mannery of evening follows: I first years up at the some loan, he was beling nevert with some them in the contribution.

throught invest have some in the mind of President Woodraff, where maintry of events of President times is extensing and cleast. Phily years ag a stime emission, he was being covered with a small boars of Fanneer him East extract. The was a training and the state of the same property of the property of the same generation as the Planeers, and their children, and fift the limited tof these of the same generation as the Planeers, and the children of the same generation as the Planeers, and their children and with very many out combined with the states as a religious contribution to the the times of the same generation and with very many out combined with the states as a religious contribution to the things of the same property of the same generation and with very many out combined with the states as a religious contribution.

wherever the Latter-day "atties dwell, and with very many not combered with the Saints as a religious community. Hauses the joy when he was crowned to the Tabernadia yesterday by the children. What a beautiful sample he is to the youth at these wales in his undervasting folegrity, his uniting industry, the simplicity and summing of his life, and the religious of the religious difficulty and the religious of the
