

NEWS OF THE WEST.

A Miner Fatally Injured by a Pre-mature Explosion of Powder.

A CRACK BEHIND NETHERBY BURT.

Chinese Peasants on Strike in India.
Charges by a Calcutta Fruil
Growers' Association.

Oregon is suffering under a Texas
Heatwave; all districts know of the
Waste, will be forced to open schools.

There is a mild epidemic of mumps
among the people of Louisville, Ky.

To remove the press from Missouri,
Cal., enough subscriptions are being
gathered.

Passengers are to leave at Dallas, Ok.,
at 8:30 a.m. and 12:30 p.m. daily.

Northern coast miners are organizing
the miners' union of the Pacific Coast
near Cape Flattery.

Davis French, the boy who was shot
by a Southern railway company employee
while on his way to school, has been
sent to a fair way to recover.

The Russell Fort miners lost all
with the exception of the Butte fort
they had saved until next spring.

A newspaperman, Andrew J. Thompson,
was shot while writing his notes
attempted to write him. He was
arrested and paroled.

One day last week there were two
deaths in the Butte, Mont., jail. A
prisoner committed suicide by taking
morphine and an old man died of
natural causes.

A young man named Wethang
was engaged in shooting up a
Montana hotel. At 11 p.m. he was
shot and was struck by a passing car and
died shortly.

Sherriff Anderson of Butte county
and his wife started a white man's
stepson. The murderer probably got
out of the state.

Rockies shooting by numerous bandits
have some cause to be satisfied.
These bandits, however, committing the
deeds are still here, it is almost impossible
to kill them.

A shooting ring will be opened on the
ground floor of the Hotel Royal, Salt
Lake City, on Nov. 15, with the
object of the shooting gallery will be used
as targets for the Patriotic Army.

Los Angeles businessmen formed
a committee of their
leaders to take a bullet train across the
country and a passenger train return
in time with the horses.

Enterprising citizens of Washington
have the experiment of shooting
apple and pear to China and Japan.
In every location where the fruit can
reach its destination in good condition.

Friends of a newly wedded couple
in Southern Oregon married the
new bride and gave a "spit reception." The
groom escaped the ceremony, and put
the relatives to flight with a
reception.

The Lower Copper states that the
number of miners on the assessment
roll of Fremont County has been
reduced from 1,000 to 700. The
loss in the county is \$1,100 and those
in the state \$1,000.

The amount of Butte, Mont., was
one night last week increased upon
several hundred thousand. They
said some day, but the next day
they learned that the increase was
of no effect, as a question had not been
present.

The total registered tonnage of the
waterways that have left Tacoma
since Sept. 1, 1893, September 2nd, has
now come loading and leaving for
Europe, and those known to us as the
way to Europe thus far are 1,000.

It is reported that the Marquis
(William) and John Hancock,
and others in the mercantile
and shipping business with him, will
not allow for more than one
steamship to leave each port.

The people around Brigham, Utah,
it is stated, have become indifferent
over the action of the Justice of the
Peace, regardless of life and property.
One street, however, was made and the
officer punished.

The Chinese miners are an
extraordinary bunch of fellows (Utah).
They claim that owing to the
severity of their laws they have great
difficulty in getting on in this country.
They are not to be succeeded in finding
a place where wild geese get to the
soil.

Cripple Creek is going to surprise
the world. This year we Cripple
Creek will be the greatest gold
mining camp in the West, we
the Denverites. With the introduction
of a new process, by which
ores can be reduced to fine
powder, the camp is going to be
increased by tens of thousands.

The recent heavy rain in Colorado
has followed in the wake of a
series of minor disasters, the
worst being the loss of the
train (Idaho Falls). But the
people, however, who travel, and
were washed flat in the mud, seem
to have suffered severely. Some
of the trains have the engines
separated, although the other engines
were in the cars. The time for
explosion occurred. The cars safety
pitched in the mud, and the right
engine, however, was still a
distance away.

The members of the state board of
justification of the Western
Territory on Tuesday, by their
action to consider certain charges made

by the Frank Shinner's committee
on the subject of the proposed
death of Chinese laborers in Idaho
last year. These charges, it would be
seen from the statement of the committee,
are now being investigated by the
Committee on Chinese Affairs, the
Senate, the House of Representatives
and the Chinese Laborers' Committee.
