TRADE RETURNS SPLENDID.

Maud S., G. A. R., Bat and Nellie lode

Equal Those of Same Month Last Year and in Some Cases They

Are Better.

New York, Feb. 27 .- R. G. Dun & Co.'s weekly review of trade tomorrow will say: Capt. Duncan McVichie came in last

"Milder weather not only accelerated the demand for many lines of merchandise, but relieved pressure for fuel, which threatened to become a serious matter, and incidentally facilitated ef. forts to reduce the freight congestion, "With no other retarding feature than the holiday, business fully maintains its gratifying position. Returns of both domestic and foreign trade are fully equal to those of the same month last year, and in many cases there are marked gains. The people are consuming on a scale never before equaled, as evidenced by the enormous distribution and continual inquiries for prompt ship-ment. Firmly held quotations also bear testimony to the fact that the demand

large portion of the ground in the llion-Beck mine, between the 100 is often greater than the supply. "Increased interest has been display-1,500 levels, was let out to leasers week by Superintendent Murphy. underground workings have been ited and each leaser is allowed the clicge of closing the territory cov-d by his lease. The holsting of the ed by purchasers of all producers. iron and steel, giving a decidedly firm-er tone to the market and in many in tances quotations have advanced. One of the definite changes was a rise of \$2 in wire products, which was not a sur-There are a great many ers and pockets of rich ore in the prise, and a new ore schedule averaging over 25 cents a ton higher. This makes every step of the proceeds more expen sive to the independent producers of ore, pig iron, coke, wages and freights having reached a higher position. To the leading producers, however, the es of the mine threw up their jobs regular force is still kept busy situation is less disturbing, as most of these factors are under one control, and t will be possible to hold prices of finshed steel at a fairly conservative po.

Business in woolens has fallen off unexpectedly, some early buyers reduc-ing the size of their initial orders, while in a few exceptional cases there have been complete cancellations.

"New England shops have secured moderate advances in several grades of footwear, chiefly of fail styles in de-mand by western buyers,

"Quotations of leather are fully maintained, although trade is quiet. Foreign dressed hides are strong, but inactive, owing to light stocks and re-stricted arrivals stricted arrivals.

"Failures this week numbered 211 in the United States, against 215 last year, and 28 in Canada, compared with 35 a the drill is now working in a dry hole. year ago.

field and as a result wool growers were receiving few if any offers for the season's clip; in fact, there was no anxi-ety on the part of dealers to buy, due argely to the fact that the clothing markets were in such a state of over-production that they cared very little whether there was much wool to be had or not. This, in the opinion of Mr. Morris, would result in lower prices 4.75; stockers and feeders, 2.35@4.70; cows, 1.40@4.60; heifers, 2.00@4.75; canthan had obtained heretofore and the esultn would be a congestion of the roduct at home in the hope that time could bring about the desired change. Reports as to losses, said Mr. Morris, ad been greatly exaggerated and as far as he was aware the clip this year would be about equal to that of pre-vious years. The situation in Boston was not all that could be desired as the embargo caused by the ruling of Secy. Wilson on the foot and mouth disease had stopped all traffic in wool. thus affecting not only conditions in he east, but conditions throughout the entire country. However, the matter was being looked into by a number of cominent senators and relief was exnected in the course of a few days,

The past week has been rather a dull one in local commercial stocks, but Broker Cutler reports small sales in Lehi Bank, Church bonds, Provo Woolen Mills Co., Consolidated Wagon and Utah Sugar. There has been some bidding for Zion's Savings bank stock, which is \$1 higher than last week. Th main interest in Utah Sugar seems to be confined to the common stock, and an order for 1,000 shares has been going around among the brokers unfilled The last sales were at \$3.70. Preferred is somewhat stiffer, owing to the ap-proach of the regular dividend day,

March 31.
