DESERET EVENING NEWS.

TRUTH AND LIBERTY.

VOL. VI. SALT LAKE CITY, UTAH TERRITORY, MONDAY EVENING, NOVEMBER 10, 1873. NO. 208.

BY TELEGRAPH.

PER WESTERN UNION TELEGRAPH LINE.

EASTERN.

Embezzlement.

PITTSBURG, 8.—Chas. R. Henry, post office clerk, has been arrested for embezzling letters.

Surrendered—Suspended.

NEW YORK, 8.—Royal Sammis, indicted for murder in the second degree, in connection with the Kelsey case, surrendered himself to the sheriff of Queen's county. His brother had been previously arrested on a similar indictment. They were both refused bail and sent to jail.

Williams & Co. have been suspended from the Stock Exchange for overdrawing their account in the Bank of North America, and failing to make it good in time.

Settled—Striking Bricklayers.

The bankruptcy case of Kenyon, Cox & Co. has been satisfactorily settled, and legal proceedings stopped.

The strike of the bricklayers and laborers continues. The builders are unable to find a sufficient number of men willing to work, and in some instances the substitutes for strikers have been induced to leave work by the society men.

About five hundred men are employed on the post office building, working under the eight hour law, and it is intended to keep the force up to that number during the winter.

J. B. March and J. Booth, two of the *Polaris* crew, have arrived, and will proceed to Washington immediately by direction of the Secretary of the Navy. The remaining member of the expedition, Bryan, the astronomer, is expected here next week.

Sailed for England.

Joseph Arch sailed for England to-day; also Mark Twain, who only arrived from there two days ago.

Police Commissioner Charlick was expelled from Tammany Hall, the other night, on motion of John Morrissey, and the new commissioner has issued an order to have all the gambling houses and policy shops in the city closed up immediately, under pain of dismissal from the police department of the captain who does not see that the order is carried out to the letter. He says if the Tammany Hall general committee wants reform in the city now they shall have it if the police department can give it to them. It was expected that Tammany would, to-day, formally prefer charges against Charlick, and demand his removal by Mayor Havemeyer. The charges are that gross frauds were committed in certain districts, that inspectors of election were changed when thought necessary to defeat certain candidates, that policemen were used before and on the day of election to intimidate voters, and that even street sweepers were dismissed from the employ of the city where they were thought to be friendly to the candidates. It is also said that serious charges will be made against police superintendent Matsell, with regard to his management and alleged manipulations of the election returns, using the police force to effect his purpose. A curious phase of this fight is—it is alleged that commissioner Charlick owes his place on the police board to John Morrissey, and that he could not have been confirmed without his consent, and was only put in nomination by the Mayor after Morrissey had been consulted.

Refugees Returning.

MEMPHIS, 8.—Two fever deaths to noon. Refugees are returning rapidly.

The fever deaths the past week were 27, other causes 30. The Secretary of the Board of Health says the fever deaths are only the lingering results of the epidemic.

Burned—To be Reduced.

BOSTON, 8.—Sawyer's shoe manufactory at Danvers was burned last night; loss $35,000.

The nail and iron manufacturers of New England will reduce the wages of their employees ten per cent. on the first of December.

Wages and Labor to be Reduced—Indicted for Murder.

The cost of improving and widening the streets in the burnt district is $5,070,000.

The managers of the railroads terminating here consider that a reduction of the expenses is necessary, the working hours and wages in the shops will be reduced, also the number of trains where practicable.

The grand jury have indicted John B. McCoole, of Chelsea, and John W. Hodner and Geo. H. Noble, for the murder of the wife of McCoole, on the 21st of last October, at Chelsea.

Special Order.

WASHINGTON, 8.—A special order recognizing the death and services of General Delafield has been issued from the War Department.

Grand Funeral.

SELMA, Ala., 8.—The funeral of General Hardee took place to-day. It was very imposing. The procession was the largest ever witnessed in the State. Business was suspended and bells tolled during the day.

Fully Resumed.

CINCINNATI, 8.—The Clearing House Association have taken up all the certificates issued at the time of the panic, and have fully resumed currency payments.

Democrat Elected.

LOUISVILLE, 8.—T. L. Jefferson, Dem., has been elected State Senator in the 38th district, to fill the place resigned by G. T. Pope.

Dead.

OMAHA, Neb., 8.—Col. John Patrick, an old citizen of Nebraska, and editor of the *Philadelphia Age*, during Buchanan's administration, died here this morning.

Billiards.

CHICAGO, 8.—The billiard match to-night, between Maurice Daly of New York, and Geo. Stosson, of Chicago, the former giving odds of 100 to 600, French carom, was won by Stosson in 88 innings. The game was not brilliant. Little money was bet. The game was for 500, winner's average 5 50-88, losers 6 54-88; score 600 to 502.

Reduced.

ST. LOUIS, 8.—The Missouri, Kansas and Texas R. R. Co. have reduced the wages of their employees at their shops at Sedalia, Mo., ten per cent., and their time twenty per cent. It is said the men will refuse to work on these terms.

Will not be Sustained

CLEVELAND, O., 8.—Charles Wilson, Grand Chief Engineer of the Brotherhood of Locomotive Engineers, says the present strike of engineers in Tennessee is without the authority of the Brotherhood, and will not be sustained by them.

Four Thousand Out of Employment.

LOUISVILLE, 8.—The Louisville and Nashville railroad reduces the wages of all officers and employees ten per cent after the sixteenth; other southern railways do the same.

The closing of large iron works and various factories around the Falls has thrown four thousand out of employment. The tobacconists are cutting down wages and some say they will close until January.

Funeral of Mrs. Lee.

RICHMOND, 8.—The obsequies of Mrs. Mary Curtis Lee, widow of the late Gen. Robert E. Lee, took place to day in the memorial chapel, Lexington. Her three sons, W. T. Lee, Curtis Lee, and Robert E. Lee, and her daughter were present, besides a large concourse of friends. The remains were deposited by the side of her husband in the memorial room. Mrs. Lee was 67 years of her age. Business was entirely suspended, and many places draped in mourning.

FOREIGN.

GREAT BRITAIN.

More Bullion Shipped.

LONDON, 8.—One hundred and four thousand pounds in bullion were shipped to-day, from Southampton for New York.

ITALY.

Monument to Cavour.

TURIN, 8.—The ceremonies attending the completion of the monument to the memory of Count Cavour, to-day, were very imposing. Among the participants were King Victor Emanuel and the prime minister, senators, deputies, foreign representatives, city authorities and a large body of troops. Notwithstanding the heavy rain storm, an immense and enthusiastic crowd gathered to witness the ceremonies. The mayor of the city delivered an address.

FRANCE.

Great Excitement.

PARIS, 8.—The three bureaux of the Assembly, which deferred until to-day, naming their members of the committee on the prolongation of President McMahon's power, have elected the Count de Remusat, Leon Say, and La Baulaye, all members of the Left. These elections give the republicans a majority of one in the committee. The result has caused the most intense excitement. It is said that the Right which, on the opening of the Assembly submitted a motion for prolonging President McMahon's power for ten years, has offered as a compromise to make the term five years. Leon Say, at the request of the government, has consented to the postponement of the debate on his interpellation for the failure to order elections to fill the vacancies in the Assembly.

Resignations Refused—Bazaine's Trial.

All the ministers tendered their resignation to McMahon this afternoon. He declined to accept them.

At the Bazaine court martial to-day, Marshal Canrobert and General Leperrault testified that of their knowledge no dispatch was received at Metz from Marshal McMahon on the 23d of August; they also swore that McMahon's advance was not alluded to by Bazaine at a council of war held on the 26th of August.

WEST INDIES.

The Executions.

HAVANA, 8.—*The following dispatch from General Burriel, commander of the Spanish troops at Santiago de Cuba, to the Captain general contains all the information thus far received of the shooting of the insurgent leaders:*

"Santiago de Cuba.

"To his Excellency the Captain General.

"At six o'clock this morning were shot, in this city, for being traitors to their country, and for being insurgent chiefs, the following persons, styling themselves patriots: Generals Bernebe Verona, *alias* Bambetta, general of division; Pedro Cespedes, commanding general of Confuegos; General Jesus Del Sol, and brigadier general Washington Ryan. The execution took place in presence of the entire corps of volunteers, the force of regular infantry and the sailors from the fleet. An immense concourse of people also witnessed the act. The best of order prevailed. The prisoners met their death with composure."

The "Virginius."

KINGSTON, Jamaica, 8.—The steamer *Virginius*, after taking on board a large party of Cubans and some war material, cleared for Milton Bay, on the 23d. The officers of the customs examined the baggage of every passenger who went on board, to proceed against any irregularities or violation of law. The evening before the *Virginius* sailed, a grand banquet was given on board by general Ryan, who was chief of the expedition. An open boat with a party of Cubans arrived at St. Anns a few days ago. They were two days on the way, and are bearers, they say, of important dispatches from General Cespedes to the Cuban consul in New York. Among those who arrived are Col. Fernando Leopoz Quimalta, and commander Louis Beatat Colon.

The cable, between this place and Aspinwall, is being worked by a private Company.

The railroad works in Costa Rica take a large body of laborers from the island monthly.

During the recent violent rain storm in Jamaica the rivers rose twenty-five feet above the natural level in twelve hours, and caused great loss of life and property.

A gentleman from Eastern Oregon, writing to the *Advocate* concerning the Union county Fair, speaks highly of the blooded stock on the grounds, and the articles in the Pavilion, but adds with much show of reason: "Two objections only were suggested to my mind. 1st, the little encouragement given in the premiums to mechanics; and 2nd, the unreasonable prominence given to mere speed in horses. The latter is not only an error, but a certain destruction to fairs. As in this case, it may simply show that a potted carcase is the best stock in the country, because he outruns other horses—that is, if the speed of the runners is the test of the quality in the horse."
