Wilson, Grover & Baker, and other first-class  
Sewing Machines; but owing to the conflicting  
testimony of persons who were acquainted with  
the character of the different Machines, was  
unable to decide which was the best for family  
use in this country, and therefore did not  
accept.

When in New York last season, he (in com-  
pany with H. B. Clawson, visited a firm dealing  
in a very large business in SEWING, EXCHANGING,  
RENTING and REPAIRING all kinds of  
Sewing Machines, and who had no special in-  
terest whatever in the sale of any particular  
Machine. They informed him that the

HOWE MACHINE  
Was in every respect the best Sewing Machine  
in the market—that, during the many years of  
his business career, he never had a Sewing  
Machine returned to them—that their cus-  
tomers had exchanged nearly all other Machines  
for the HOWE—that, if they were compelled to  
confine their sales to the Machines of but one  
maker, that one would be HOWE. The evi-  
dence from disinterested parties of the

SUPERIORITY  
OF THE  
Howe Machine

Was so satisfactory to himself, H. B. Clawson,  
Wm. C. Staines, and others who wished to pur-  
chase Sewing Machines, that they all united in  
purchase and accepted the AGENCY FOR THE  
TERRITORY.

We are now prepared to receive orders for  
those Machines for Family or Manufacturers' use
