THE CONTRIBUTOR. THE AUTHORIZED ORGAN OF THE Y. M. M. I. A. OF ZIGN.

# Prospectus for Volume XVI. 1894-95.

In this volume we propose to introduce the full and general country among many other instruction with the or general interest.

Shining Lights. How They Acquired Brightans,

Uniter this building we design glicks a series of blag adviced scatterer of some of the parameters being store of our sevenesative, and full word between our analyzed to attain success. There are thus will be blacked with half being segret gap of the presents manimized.

# Temple Manifestations.

There have been many semarkable experiences of Lador-day. Rolling in our temples which have a newsy been recorded. These landscale have a tentemy to result and experience with and conceptions there exists of them should be worked proceeding. A series of settings on the still set will be presented in Volume XVI of Tak Coertainstrate.

### Sermons from the Prophets

will be the time of a works of articles by Dr. M. H. Haarry, containing the cluberst genre of theorybic of the highling mass of this dispersation. This entremits will be of inclusion be all young people, and will be completed using special interaction to attract ingovernment work.

# Beyond the Arctic Circle.

Continuing through Voloma XVI, will be published as his-angly interesting autotive, nicely Instrumed, of experiences and observations in the Land of the Midnight say, by Ehler Nepul Andreum,

### The Study of Self.

### Preaching and Preaching,

in the first six mumbers of Vishme, XVI. These articles will be devoted appendix to the composition and delivery of structure. In the remaining air standards of the volume PROF. NELBON will

# Mormonism and Theosophy,

a subject which, is these times, is of special interest, and should be cara-tally studied by the Latter day Saints.

# Reminiscences of the Scandinavian Mission

will be treated by Elder Andrew Jensen, they where no person is bertar qualified to write upon this very increasing axists. It is this action much beretulary supprised history and many facts and buildents and generally known will upper.

# M. I. A. Manual, Part II.,

prepared by Frohemov M. H. Hardy and George H. Brindall, and ap-proved of by all the M. L. A. general coloury, will be published to Volume XVI. Every association member about atody carefully flows tensors, in the new viscous will be tauned the

#### Prize Story and Prize Male Quartette

for which The Conversion offered prims at the Territorial Fair at 1994.

### We will also also to have a valuable piece of

Vocal Music

In such mether of the new ovolume.

# Our Illustrations

will be of the very highest class, and mustly original. They will also be abundantly used in the volume.

# Department of Inquiry

We propose to devote not to screed there pages of each issue to the answering of all proper questions, his answers to when will be of general metric. Logither concentrony modelation work, describe, sinsature, ste-isself be the subdacare of The CONTENTION to answer.

### Association Suggestions,

is will be the size to present as an uncrustive and estimating manage-ness of general intervent and benefit conversing Mathai Intercoversion work. In additional deparations of general values we contain here to any estimate the second and the second and here asymptotic mass.

## Our Missions

throughout the world will very watertien, and everything of laterast of profit connected there its will be communicated to out readers.

# As Writers

for the course systeme we will have some of the most able among the people. Revery effort will be used to unker True Corrections which it chemics how within organ of the Yoang Mer's Notaal Improvement Associations of 2006.

Subscription Price \$2.00 Per Yer, Postpaid.
