HEARING OF ROBBERY CASES

Preliminary Trial of Robert McGuire Charged With Robbing Fred Goff.

LORIN FARR FUNERAL SUNDAY

In Ogden Tabernacle - "Boosters" Fighting for 1910 Woolgrowers' Convention.

Ogden, Jan. 14.—The preliminary hearing of Robert McGuire, charged with robbing Fred Goff, in the Apex saloon, on lower Twenty-fifth street shortly before Christmas, is on before Judge Murphy in the police court and will probably occupy two or three days. McGuire is one of the proprietors of the saloon, the others being B. E. Samlett and J. H. Garrett who are also charged with robbery. They are charged with robbing Goff of \$200 by getting him drunk and then holding him for a prisoner for several days in one of the rooms over the saloon. One of the witnesses yesterday afternoon was Mrs. Lovelless who runs the Apex roominghouse for McGuire & Co. She told of Goff being brought to a room and the summoning of Drs. Estes and Belknap to attend him as he was very sick. She further testified that Goff told one of \$200 in bills and \$60 in gold and when asked who did it Goff answered, "It was McGuire, the big fellow down stairs." The witness also testified that Goff looked as though he had been drinking. At the conclusion of the cross-examination of Mrs. Lovelless the case was continued until this morning.

FUNERAL OF LORIN FARR.

The funeral services over the remains of the late Lorin Farr will be held at the tabernacle, Sunday afternoon at 2 o'clock. Bishop E. A. Olson presiding. For the services it is announced that some members of the church presidency and apostles will be present. The remains will lie in state at the residence of Ezra Farr, 46 Twenty-fifth street, a son of the deceased, Saturday and Sunday forenoon. The interment will be in the city cemetery.

BOOSTING FOR OGDEN.

About 20 "boosters" left Ogden yesterday afternoon for Pocatello, where they are to make a fight for the 1910 convention of the National Woolgrowers' association which began its sessions in the Gate City this morning. In the Ogden delegation were representative business men of the city and prominent absentee citizens. All wore badges and buttons boosting for Ogden. The members of the Weber club, who have been aiding in the movement, have the assurance of the Central club of Salt Lake City, that that organization will join in the movement to bring the next convention to Ogden. Headquarters will be established at one of the Pocatello hotels, today, by the Ogden delegation and from this the operations will be directed, badges, buttons and literature of the Junction City will be distributed. It is expected that about 30 more boosters will leave Ogden on Friday morning to be in Pocatello for the big day when the vote for next meeting place of the convention is taken.

SUIT FOR ATTORNEY FEES.

R. M. Ross has brought suit in the district court against Rudolph Kuchler, Griffin H. Marshall and James Morgan to recover \$2,000. The complainant alleges that, at the request of the defendants, he visited Washington and performed certain work for the defendants before the department of agriculture and before the United States circuit court, for Idaho in relation to the grazing of sheep in that state. He states that for the services he rendered that \$2,500 was a reasonable price and of that amount \$500 had been paid.

WARRANT FOR DAVIDSON.

A warrant for the arrest of Neil W. Davidson, former clerk in the office of the Pacific Express company of this city, has been sworn to charging the young man with the theft of a money package containing more than \$200. While the theft of only one package is charged in the complaint, it is stated that Davidson will be held to account for about \$200 which he is alleged to have taken. It is the belief of the express company that Davidson has a greater part of the money he is alleged to have taken but he is also alleged to have spent very little money there. The last two or three weeks ago he left the company and a larger part of the thefts were taken during the last week the young man worked for the company. Local officials are reticent upon the matter and will only acknowledge the money shortage and insurance as the whereabouts.

John W. Davis, charged with taking money from the office of Leon Buchanan, the local manager of the Provo Opera House, entered a plea of guilty to a charge of petit larceny in Justice Noon's court yesterday, and was fined \$20. The amount will probably be paid. The employees of the defendant claim he has previous to this enjoyed a good reputation, and are inclined to believe his statement, which is to the effect that he was in hard circumstances and was overcome by the temptation to make a little easy money. The money he took has been returned.
WILL NOW PAY BOUNTIES.
County Clerk Karchner has received a letter from Jesse U. Jexkes, state auditor, advising him to again pay bounties on wild animals. The bounty was stopped some months ago on account of the money for bounties being exhausted.

Banquet and Ball to Old Residents—Seventies' Social—Wedding.
Special Correspondence.
Payson, Utah, Jan. 12.—At a meeting of the city council last Monday night the new paving district was finally passed upon with the exception of two streets and it is probable those will be passed upon at next session of the council. The mucous membrane lines all passages and cavities communicating with the exterior.
Catarrh is an excessive secretion, accompanied with chronic inflammation, from the mucous membrane.
Hood's Sarsaparilla acts on the mucous membrane through the blood, reduces inflammation, establishes healthy action, and radically cures all cases of catarrh.

PAYSON.

PAYSON'S HOME DAY.
Banquet and Ball to Old Residents—Seventies' Social—Wedding.
Special Correspondence.
Payson, Utah, Jan. 12.—At a meeting of the city council last Monday night the new paving district was finally passed upon with the exception of two streets and it is probable those will be passed upon at next session of the council. When the new district is completed Payson will have about three miles of paved sidewalks.
PAYSON'S HOME DAY.
Recently the people of Salt Lake and Provo who were former residents of Payson, to the number of about 100, came down on the D. & R. G. evening train and were given a welcome home, by the mayor and citizens of Payson. A grand ball was given in the pavilion at which much felicitations was indulged in and a fine banquet was tendered them in the Hancock building.

Mrs. Emma Ramsey Morris sang several numbers and the affair was a great success inasmuch that it is quite probable that steps will be taken to make the event an annual affair, that former citizens can come home and mingle with people of former acquaintance.
Among Payson's former residents are Uncle Jesse Knight, C. E. Leese, Prof. J. J. McClellan, Mrs. Emma Ramsey Morris, Willard Dene and others.
