A HEALTHY OLD AGE

Often the Best Part of Life

Help for Women Passing Through
Change of Life.Providence has allotted us each at
least seventy years in which to fulfill
our mission in life, and it is generally
our own fault if we die prematurely.

Mrs. Mary Koehne

Nervous exhaustion invites disease.

This statement is the positive truth.

When everything becomes a burden
and you cannot walk a few blocks without
excessive fatigue, and you break
out into perspiration easily, and your
face flushes, and you grow excited and
shaky at the least provocation, and
you cannot bear to be crossed in anything
you are in danger; your nerves have
given out; you feel exhausted up
at once. To build up woman's nerv-
ous system and during the period of
change of life we know of no better
medicines than Lydia E. Pinkham's
Vegetable Compound. Here is an
illustration. Mrs. Mary L. Koehne, 371
Garfield Avenue, Chicago, Ill., writes:

"I have Lydia E. Pinkham's Vegetable
Compound for my family, and it
never disappoints; so why I feel safe
bearing the change of life I commenced treat-
ment with it. I took in about six bottles
and it did me a great deal of good. It
settled my dizzy spells, pains in my back
and the aches with which I had suffered
for months before taking the compound. I
feel that if it had not been for this compo-
und I would not have been alive to-day.
It is splendid for women, old or
young, and will surely cure all female dis-
orders."

PAINFUL ACCIDENT.

George Burnett, of 1640 Washington
avenue, while riding on a wagon
tongue, slipped and fell under the
horses' hoofs, and was kicked on the
left leg, breaking the bone near the
ankle.Mrs. Pinkham, of Lynn, Mass., in-
vites all sick and ailing women to write
her for advice. Her great experience
is at their service, free of cost.
