Last Night's Dispatches.

CONGRESSIONAL.

SENATE.

The Bankruptcy Bill.

WASHINGTON, 4.—At the expiration of the morning hour, consideration of the bankruptcy bill was resumed, and continued until the Senate adjourned.

HOUSE.

Irrigation—Sworn in.

The Speaker called attention to the fact that the resolution of the House directing the Secretary of the Interior to furnish a copy of the paper on Irrigation, sent by Minister March from Italy, was responded to by the statement that the paper was in the custody of the Commissioner of Agriculture, and therefore was not within the control of the Interior Department. The Speaker seemed to intimate that it would be news to the members that the Bureau of Agriculture was an independent department of the government, and not under the control of any other department. A resolution was then offered by Kasson and adopted, directing the Commissioner of Agriculture to furnish a copy of the paper in question.

The resolution from the election committee declaring that Hodges was entitled to a seat from the first district of Arkansas, was adopted.

The House resumed the consideration of the army appropriation bill.

EASTERN.

Burned to Death.

BANGOR, Me., 4.—The House of Isaac E. Whareof, at Guildford, was burned this morning, and Whareof, his wife and boy were burned to death.

The Iron Trade.

PHILADELPHIA, 4.—The American Iron and Steel Association met here to-day. The general iron trade of the country is pronounced but little better than at the beginning of the panic. The returns from fifty rail mills show that only two are working, and of 385 foundries 138 are idle; the stock of iron on hand is three hundred and eight thousand tons, and over twelve thousand hands are unemployed.

God in the Constitution.

PITTSBURG, 4.—The annual convention of the National Reform Association, whose main object is to secure a recognition of God in the constitution, met here to-day; delegates were present from nearly every State in the Union, representing all the evangelical denominations. Addresses upon the object of the association were made by a number of clergymen and others.

Indicted for Robbing U. S. Treasury.

WASHINGTON, 4.—E. A. Williams and John K. Moore have been indicted for stealing $12,000 in U.S. warrants from the Treasury Department.

Army Disbursements.

The War Department has prepared a statement in response to the resolution of the House of Representatives, showing that from April 12th, 1861, to August 20, 1866, the disbursements by army payments were 1,094½ million dollars; the whole number of paymasters employed was 541; the number whose accounts are closed 386, and open 155, with cash balances unpaid amounting to $768,706, some of these are in suit, others considered worthless.

Gen. Harney Says a Good Word for the Indians.

The Secretary of the Interior has submitted to the House the proposed amendments to the Indian intercourse bill of 1855, designed to abolish the liquor traffic among the Indians; heavy penalties are provided for any infraction of the law against such traffic.

Gen. Harney, the veteran Indian fighter, was before the House military committee to-day, and gave his opinion in reference to Indian matters. He thinks that if the Indians are treated fairly there will never be any trouble with them; he never knew but two instances in which they violated a treaty, and these were in cases where the treaties had grown old and the chiefs who made them had died before they were sought to be enforced by the government. Indian troubles were principally caused by whisky dealing and dishonest agents. The General, in reply to a question as to how whisky sellers could be suppressed, unhesitatingly recommended shooting or hanging them. He was decidedly of the opinion that the management of the Indians would be much more efficiently and honestly conducted by the army officers than by civilians, unless army officers had changed very much since he knew them.

A Murderer Confesses.

BALTIMORE, 4.—Wm. H. McCotter, sentenced to be hanged at Cambridge on Friday, for the murder of his father-in-law, has confessed, alleging that the crime was committed in self-defense.

An Incendiary.

MEMPHIS, Tenn., 4.—It appears that the machine shops of the Memphis and Louisville Railroad, burned last night, were fired by John McCarthy, a former fireman on the road; he started the fire in the office of the master mechanic after knocking down the watchman, and was pursued by another watchman and shot and wounded, but so far he has escaped.

Strike Terminated.

NEW YORK, 4.—The strike on the Oswego and Midland Railroad, terminated last night, the strikers at Ellenville agreeing to the terms accepted by the men at Summitville, and trains are running as usual; the men have been paid for December, and the paymaster will continue until all the obligations are settled.

Bailed.

Judge Bennett, in Brooklyn to-day, held Vandercoomen, Hawley and Sanborn in $15,000 bail each, for alleged fraud upon the revenue department; they will appear for trial on the first Wednesday in March.

Tweed's Case.

Tweed's counsel appeared before Judge Davis to-day, for the purpose of settling the bill of exceptions taken which they will go before the general term for a review of the case; the decision is expected in a few days.

Annual State Grange.

ST. LOUIS, 4.—The seventh annual session of the National Grange of the patrons of husbandry met at the Southern Hotel to-day; the masters of the State granges of thirty-two States and two territories were present. The meeting was entirely secret.

Governor Elected.

ANNAPOLIS, Md., 4.—James B. Groome, of Cecil, to-day, was elected governor, by the Legislature in joint convention, for the unexpired term of governor Wm. Pinckney, who was elected U. S. Senator.

WESTERN.

Attempted Murder—Still in Jail.

SAN FRANCISCO, 4.—A miner from Pioche, named John O'Malley, attempted to murder J. B. E. Cavalliar, ex-president of the board of stock brokers, this afternoon, on Kearney street, because Cavalliar would not pay him a debt of $1,700; he fired two shots, without effect, and was arrested.

Napthaly and Fitzgerald, of the *Evening Sun*, for the libel of the DeYoungs, of the *Chronicle*, are still in jail.

FOREIGN.

GREAT BRITAIN.

The Election.

LONDON, 4.—Additional election returns show that the liberals have gained one seat in both Durham, Pool and Worcester, and two in Boston; the conservatives have gained one seat in Bury-St-Edmunds, Colchester, Grantham, Henshaw, Plymouth, Portsmouth and Windsor, and two in Cambridge, Exter and Wigan. Jno. Laird, liberal conservative, has been re-elected from Berkenhead, by a majority of 2,000; Grant Duff, under Secretary of State for India, has been chosen to represent Edinburg; Jas. Stansfield, radical, is returned from Halifax, and Geo. Henry Gladstone, a liberal conservative and son of the Premier, from Whitby; both were members of the late Parliament. Up to this morning 108 liberals and 141 conservatives had been returned; the balance of the parties, in 208 other places, remains unchanged. The conservatives gain thirty seats previously held by the liberals, and the liberals have ousted nine conservatives. The conservative journals are jubilant over the result.

PORTUGAL.

A Big Riot.

LISBON, 4.—A riot occurred yesterday among 1200 convicts and intransigents who entered at Oran, Algeria; two Spanish frigates are expected to-morrow to take the convicts back to Spain.

JOCULARITIES.

The Boston *Commonwealth* calls Alexander H. Stephens of Georgia "an exquisite old humbug."

When is a young man's right arm like unto gospel preaching? When it makes glad the waist places.

A farmer's club is organizing in New York, composed exclusively of people who are sowing their wild oats.

Sothern has purchased two acres of real estate in Chicago, and now has got to keep on playing in order to pay his taxes.—*Cincinnati Enquirer.*

Two rustics came into a village telegraph office to send a dispatch. As they left the office the gong of an adjacent hotel sounded for tea. Whereupon one of the pair went into the air several feet, exclaiming, "By Jerusalem! there it goes, Jim!"

The *Journal* says a Sioux City gentleman knocked his wife down with a billet of wood Thursday night. He is a great, strapping fellow, while she is a small woman; but his excuse for striking her with the billet was that he is too much of a gentleman to strike a woman with his fist.

Providence, Rhode Island, in beautiful accord with its name, has such thoroughfares as Faith street, Hope street, Joy street, Benevolent street, Happy street, etc. The other day a man was found fainting from starvation in Benevolent street, and was carried through Happy street to a hospital.

Japanese officials are beginning to try their hand at proclamation in the English language. Here is an example: "The trees cutting, birds and beasts killing, and cows and horses setting in free at the ground belonging to the Government are prohibited. (Signed) Osaka Fu."

The wife of one of the masked bandits in New York, called at the prison to see her husband, the other day. She kissed him through the bars, and after wiping a tear from her eye, she handed him a box of cigars, a large paper of chewing tobacco, and some clothing. She wore four sparkling diamond rings, a pair of superb diamond ear-rings, and an elegant solid gold square-barred pin, which nestled in a white lace collar. She wore a black silk dress trimmed with real lace over which was a fine blue velvet cloak, also trimmed with black lace. She was accompanied by a young girl, a waiting maid, whom she called Mary Ann. She carried a Russian leather reticule and a camel's hair shawl belonging to her mistress.
