LIVES LOST.

THE THERMOSTER GOING SAID.

New York, July 8.— This was
the hottest day New York, has experienced in a number of years. A
number of cases of prestration are
rejected, but no deaths. At 3
o'clock the thermometr marked les.
Caracoos, Illa, July 8.—The day
opened a little warmer thin yesterday, the lowest point touched by
the mercary being 75 degrees. At
to o'clock it was 85 degrees.

THE HOT SPELL OVIE.
CHECAGO, July 8.—The list weel.

CHECAGO, July 8.—The hot spell was broken in this city this evening by a dolightful cool breeze, which swept down from the north. The signal service officer says this is the effect of the big storm in the north-west preferring, and that the excessive hot spell is ended for the present, at least.

sive hot spell is ended for the present, at band.

Reports from all points in Iowa, Illimote Missouri, Footsern Kaness, Ohio, Michigan and Kentucky report excessive heat boday and many prestrations. The fatalities, fortunately, were few. The maximum temperature for the senson was reported from Kaness City, Louisville, the install and other points in Ohio and Pennsylvania.

This evening there were several foundational winst and selectric storms, which did much damage at various points. The same is reported from New York and the New England States, as timultoned elsewhere in these dispaticles. Holom, Syracuse Albany and other points report the thought by Thursday the cod wave will appeal over the whole ferring east of the Massispia River, affording mitch needed relief.

Panes, July 8.—Paul Historyery.

Panes, July 8.—Paul Historyery been propulative faces, condensed, inquified gas. Three bandred drops of this compound is contained in a small steel recentacle under a rith arred, and each time the trigger is miled one drop falls into the breed behind the bullet. The contained with air causes it to volatize instant amounty, with an expansive for the exceeding gam, low-let, and as pels the bullet with terrible velocity accompanied by notine makes as

done. Huge trees were enabled off and uprooted, houses unroaded and shatured and the wildest excitement ensust. There was no time to seek shotter. Debrie covered the streets, and several persons were stricken down and killed, while others were drowned. The less was a severe shock of continguates others were drowned. The less was very great.

THE THERHOUGHTER GOING MAD.

NEW YORK, July 8.— This was he bottest day New York has exhibited by New York has exhibited.

Less of a Mean Tug.

Britzinotto, Vi., July S.—The
storm this afternoon was the worst
known for years, and several protect
yachts had narrow escapes from
sinking. The storm tag Lattle NotMe. Captain Clarke, of Willisborn,
foundered off Bosses. Point and
sank, with Captain Clarke, his son
and the entitiese; tather maknow,
on board. So far as learned no lives
were list in this immediate vicinity,
but there was great damage to property.

The Like Assemble.

CLEVELAND, July 8.—The grand ledge, Benevolent Protective Order of Elks, met this morning. All the grand officers were present. Examed Grand Ruler Quinfin made the opening asidress, during which he referred to the New York difficulty. He said that if any one present feared legal proceedings he would be permitted to withdraw, All the desegates from New York state applanted and refused to leave the hall.

A Brooklyn Elk said: "We are here and will remain. All we want is protection in our right." He was assured that weald be done. The full call showed 199 members proceeds. The Like Assemble
