No mitigating cir-'Mormon' are taken into consideration, unless he, like an abject coward. publicly agrees, at the demand of the Court, to renounce his religious faith and cast his wives and children adrift. Not only is the extreme penalty of the the place a model of taste and conveniis windicted in almost every instance, but one of the Judges-C. S. Zane-has several times publicly expressed his astonishment that the punishment for montas' imprisonment and a fine of three hundred dollars. Men who are convicted are thrust into a prison which is a disgrace to this, and would be to any other, nation. In the language of Judge Orlando W. Powers, of the First District Court of Utan-is reported to us by a person efficient, and have at heart the welwho heard him make the remark-"The Utah Penitentiary is a disgrace to civil- | care, and do all in their power to deization and is not a fit place in which velop their moral, religious, intellecto keep saimais, to say nothing of tual and physical organizations, and homen beings." If these are not the we feel confident that those who at-

they at least embrace his idea. It should be remembered too that in heatly every case prosecuted, ragge is no charge of polygamy. The containing the excellent article from exceptions are very few and far beappland the crusade laboring under the haliucidation that it is conducted for the purpose of suppressing or stopping tim increase of polygamous marriages. This is an egregious error. Its operations would break up unions that were formed even before any law ex- ANOTHER LOOK AT THE MORisted upon the subject of polygamy. Were it directed against persons contracting plural marriages subsequent to the passage of the Edmunds Act, some color of consistency might be claimed for those engaged in it. Not only this, but there is behind the entire political base. In time, however, the wade question will be understood, and, as predicted by "A. E. Now, keeping in mind that persecutions on account of religious opinions. tyranny and hypocrisy are apparently triumphant over liberty

DEATH OF JOHN W. MAR-SHALL

THE death of John Wilson Marshall, the original discoverer of gold in Callwhich occurred on the 10th inst , revives the story of the great at- and exercise of their religious faith traction which, thirty-seven years ago and later, served to bring to the Pacific coast people from nearly all portions the marvelous development of that region. It serves to call to mind the fact, too, that the connection of the other religious authorities, approve "Mormons" with the important circomstance alluded to is seldom men-

tioned or acknowledged. In the autumn of 1847, after the "Mormon Battaliou" had completed their memorable march, rendered the conquest of California by the United States arms secure, been honorably disbanded and were on their way overland to this valley, a number of the members were counseled to remain the California successful and circumstances may permit. By Shakers ceitbacy is approved and and importance and penalties, to prevent polygamic marriage. On the prevent polygamic marriage. On the other hand, Mormons, under the sanction of the same Biole, and in obedience to it and their other religious authorities, discountenance cellbacy, believe both monogamic and polygamic marriage. The Mormon Battaliou" had completed to their members were connected the conquest of California by the United States arms secure, been honorably disbanded and were on their way overland to this valley, a number of the members were counseled to remain the Chicago this morning over the Chicago the mail extent to the and their other religious authorities, discountenance cellbacy, believe both monogamic and polygamic marriage. On the other hand, Mormons, under the sancting over the Chicago the mail to boxes and addressed to Chicago merchants. Hereafter Chicago mail tin boxes and addressed to Chicago merchants. Hereafter Chicago mail tin boxes and addressed to Chicago merchants. Hereafter Chicago mail tin boxes and addressed to Chicago merchants. > [From the Boston Commonwealth, Saturday, August 1et, 1885.] MON PROBLEM.

Editor of the Boston Commonwealth: A landscape varies in beauty and interest according as it is seen from one or another point of view. Not un-likely the Mormon question may also be viewed under a better light than that under which it appeared in the Commonwealth of July 18th. Will you But in the the old countries, from which emihe United States, and that to prevent the persecution of any religious sect in the United States, it was expressly declared in the political constitution of the United States, that "Cougress shall make no law respecting an esthe United States are, mons in

tablishment of religion, or prohibiting the free exercise thereof," then the Mormon problem is, whether Mor- at \$150,000. equally with other religious sects, enitled to protection in the enjoyment plural or polygamic marriage.

By Christians marriage is regarded to be a religious ordinance. By Roman Catholics, and also by Mormons, it is held to be a sacrament. The Roman Catholic church, in obedience to its interpretation of the Bible, and its other religious authorities, approve of the control of the Bible, and its other religious authorities, approve of the control of the Bible, and its other religious authorities, approve of the control of the Bible, and its other religious authorities.

Burlington, 30; Northern Pacific, 23; Preferred, 48%; Northern and practice, including the practice of plural or polygamic marriage. celibacy, but permit monogamic mar-riage, and hold it as the only legal and true marriage. For ages it has endea-vored, through terrific maledictions, In the autumn of 1847, after the and by awful pains and penalties, to

ence and persecution. Wise and politic was the Roman proconsul Gallio,

taken in as a working partner in the business by Captain Sutter, who furnished the money for the undertaking.

The mills were finished in January, 1848, but when the water was turned into the race of the saw mill there was such a strong current and the soil was so given to washing, that the foundation of the building was endangered.

Mr. Marshall accordingly had the water turned off and went down into the race to examine the hole which had been washed, when he noticed some—

a shiny appearance and gathered a few specimens. On hammering these upon a stone he found them to be malleable, and concluded they must be nuggets of a concluded they must be nuggets of rights of men and women. gold. He informed some of the "Battalion boys," who were still employed that "the laws of order and decency that "the laws of order and decency and a proportionate reduction in the matural marrial marrial

at the mill, of his suspicion as to the must be enforced in Utah." In the wages, shows that they are tired value of the specimens, and they too, commenced collecting them. He subsequently had the nuggets he had found assayed at Sutter's Fort, the advent there of government offi- all 16 mills running at 11 hours. Many was correct. They were worth from twenty-five cents to five dollars each.

The news spread like wildfire. The

crops were allowed to spoil in the the Czar; but despetism, whether in fields for want of men to harvest and Russia or the United States, is not garner them, and everything else was mental dynamite, and, sooner or later, mental dynamite, and, sooner or later, order; it is concentrated disorder, it is The subsequent migration to that destruction in its olast. As for the man without a covering to her face, have been abandoned on account of and sometimes will veil it with her the prevalence of choiers. only petticoat. A well bred African ance; it is prolific in vicious minds. It does not exist in virtuous souls. Pharisees and hypocrites everywhere see much of it, unconscious all the while,

> of special observation did not so see it. Nowhere in the Bible is there any condemnation of it. On the contrary, Abranam, Isaac, Jacob, Moses, the and the disease is unusually fatal in psalmists and prophets, practised polygamy. Said Jesus: "Whosoever shall put away his wife and marry another, committeth adultery against her. The sin is not in marrying another, but in putting away the other "Ine Lord, the God of Israel,

saith that he hateth putting away."-Malachi 2, I6. So far from being clear to Plate that polygamy was wrong, he suggested that in a perfect republic it would be of great advantage to all concerned that wives and children should be in common. Socrates, Theodoret, St. Ambrose, St. Chrysostom, St. Augustin, Bolingbroke, Luther, Melancthon, and other philosophers, churchmen and statesmen, after executions of the control of the contro

wife,

after careful consideration, have con-cluded that polycamy was not forbidden, neither by the law of nature, nor by the word of God, and therefore is not sinful. All this and much more valuable earning on the subject may be found a Rev. Dr. Martin Madan's "Thelyphthora," published in 1781, in London, by a brother of the Bishop of Bristol and Peterborough. Dr. Madan a divine law of marriage, and that the | demands. tion is before us, from which we learn that its first term of the present school year commences September 21st.

It has been thought proper to divide the school year into three terms of the Pall Mall Gazette) are the necessary and certain outgrowth of enforced expenses and the proper to divide the school year into three terms of the Pall Mall Gazette) are the necessary and certain outgrowth of enforced expenses and the property of the present school of the present school

ublic Library. Moreover, about ten coast. jears ago, there was published in Bosin school during the hot months, thinking it in jurious to their health, and be sides it is a time when many require their assistance.

The Board of Trustees of the College plural wives of defendants who, lege certainly deserve much credit for their success in making it one of the returned, he says, "to my native lege defined and success in making it one of the returned, he returned, he says, "to my native land an older, and, I hope, a wiser man." He remarks that the prejudices of modern Christians to polygamy "are leged plural wives of defendants who, it is success in making it one of the returned, he says, "to my native man." He remarks that the prejudices of modern Christians to polygamy "are pleted last year, and which is nicely rupted Christianity of the mediaval moved when Christian people become better informed." Rev. David O. Allen, missionary of the American Board of Missions for twenty-five preserving an even temperature. In years in India, in his "India, Ancient the basement story there is a kitchen, a given to the Boston Public Library by Theodore Parker, says (page 004) Polygamy is not wrong as it exists among Jews, Mohammedans and Hin-

> Roman Catholic, adopted unanimously he same conclusion. But let this article, now almost too ong for your columns, close with a ingle remark from John Selden's Table Talk. He was a member of be Westminster Association for Dimes for settling the doctrine, liturgy and government of the Church of England, of stupendous learning in all kinds, and in all languages, and of whose "Table Talk," Coleridge said, there is more weighty bullion sense in it, than he ever found in the same number of pages in any uninspired writer. Selden's remark is that "Marlage is nothing but a civil contract. Of all actions of man's life, his marriage does least concern other people. Yet of all actions of our life, 'tis most reddled with by other people.' Now, Mr. Editor, please allow me to express the wish of many good citizens, that the existing persecutions of the Mormon's may speedily and completely cease.
