border raid into England he ande men and women dance maked be-fore him to the pricking of his lance; that he "slew infinits at their mothers' breasts," and "burnt-alive a whole school full of boys;" that he skulked when a formidable force was sent after him, when driven into a corner asked to be received into the "King's grace "but asfund to and."

"King's grace," but refused to sur? render unconditionally; that when a captured and condemned has fate was no more barbarous than that be had inflicted on others; that the sentence against him showed this, a sentence against him showed this, a portion of it being that "his bowels should be taken out and burnt, even as he himself had burnt a church full of men and women." According to this new version of his history Wm.W. must have been a very "bad egg," and if so, it is a

his history Wm. W. must have been a very "bad egg," and if so, it is a - 1 waste of brine, for Highlanders - lowlanders. Scots or Picts, or any other people to shed tears to the memory of such a graceless

our facilities in Utah were as great? of the administration on this quest I do not believe there is one, and then. They say there was a time in yet our advantages could be made the history of this republic when lunatic.

THE HEROE'S PASSING A WALL HERO-WORSHIP is receiving some severe blows in this iconoclastic Mr. Wardleigh said that it was

he wond but one fight and that a small one; that he was a marader, a hore thief, a murderer of a based and marated reader. In most in favor of education, tamped and children, and was about as worthy of respect as an Apache or a Modoc; that in his boolet for himself, that in his boolet raid into English leader of hiskin to make a sworldshi for himself, that in his border raid into English leader of hiskin to make a sworldshi for himself, that in his border raid into English leader of hiskin to make a sworldshi for himself, that in his border raid into English and are to the specific of himself, that in his border raid into English and there are few if any in our Territor promota the general interested in the constitution of the specific of himself, that in his border raid into English feator of hiskin to make a sworldshi for himself, that in his border raid into English feator of hiskin to make a sworldshi for himself, that in his border raid into English feator of hiskin to make a sworldshi for himself, that in his border raid into English feator of hiskin to make a sworldshi for himself, that in his border raid into English feator of his skin to make a sworldshi for himself, that in his border raid into English feator of his skin to make a sworldshi for himself, that in his border raid into English feator of his skin to make a sworldshi for himself, that in his border raid into English feator of his skin to make a sworldshi for himself, that in his border raid into English feator of his skin to make a sworldshi for himself, that in his border raid into the specific and the sworld and the sworld were allowed at the feator and the sworld and the sworld at the feator and

mation of the proposed con-solidation of the bastern Maine, Central, and European and North American road, by the signing of the consolidation contract. The American road, by the signing of the consolidation contract. The presence of the Pennsylvania Cen-tral people is significant, from the funct that they are large owners in European and North American stocks, and the eastern manage-ment is both largely interested in New York and New England, for-merly, the Boston, Hartford and Erie road. Through trains bet-ween Halifax, Boston and New York will be run at an early day.

year. convention of silk culturists ded to discuss and arrange me

Editor Deservet News:

Aug., 9th, 1873.

The Hebrew of the south and west had a convention recently in Cin-ciunati for the purpose of adopting measures to establish a theological fine size and good quality. The question now arises, shall we raise the silk or the ugo? Silk will pay better than eggs. Your correspon-dent in the article referred to states that no returns have come from eminary for the education of the Hebrew priesthood and the preser vation of the purity of the faith
