## A WARNING TO IMPORTERS.

Vigorous Measures Should be Adopted  
to Keep This Pest Out of  
the States.

Up to the present time the San Jose scale insect has been discovered in only Clark orchards. It is highly probable, however, that this insect will not be much longer exposed, since the scale is at work in the orchards and nurseries of Idaho. Whether it has been invited by the Idaho experiment station, or the San Jose scale of the San Joaquin valley, California, has been introduced into the state by accident, is not known.
