OGDEN, JUNE 18, 1900.

PIDCOCK ASSAULT CASE.

Jury Renders a Verdict of Not Guilty After Five Hours' Deliberation.

His Exemption to Salt Lake for Scandinavian Jubilee—Nearly Fatal Result of Careless Gun Play.

Saturday Judge Hart occupied the bench in the second district court and heard the case of the State vs. Ralph Pidcock, charged with assault with a deadly weapon (a wooden arm) upon the person of John Seifert. The evidence seemed to be somewhat conflicting as to the circumstances of the case, but the jury rendered a verdict of not guilty after five hours' deliberation.

CARELESS GUN PLAY.

Last evening, while William Thompson was loading his rifle in Hayes' shooting gallery on Twenty-fifth street, the gun was accidentally discharged, the ball taking an upward course through the thin board partition into the room above, where George Langdon was standing, striking him on the right side of the head, inflicting a serious scalp wound. Had the ball been directed downward, it would have proven fatal. As it was placed upward and lodged underneath the scalp. The injured man was taken to Badon's drug store, and Dr. Rich extracted the ball. After the wound was dressed Langdon recovered sufficiently to walk home.

The excursion to Salt Lake yesterday over the O. S. L. and R. G. W. to the Scandinavian Jubilee drew a large crowd from Ogden. It is estimated that nearly 1,000 people went from this city to the capital.

LOGAN.

B. Y. COLLEGE ALUMNI.

Banquet and Ball—Encomiums for Prest. Kerr.

Logan, Cache Co., June 16.—At the banquet given by the alumni association of the Brigham Young college in Friday evening, Bishop Preston spoke expressing the regret felt by the board in losing the services of President Kerr. During the six years of his labors there had been no harsh or unpleasant word between him and the board. The efficiency of the labors of President Kerr is manifest from the marked advancement made by the college during his administration. When the proposition had first been made for President Kerr to retire, the board had said emphatically that they could not let him go without him; but they desired patriotically to sacrifice for the welfare of the State. President Kerr has had the general esteem in which he is held by the board in his labors here, and they wished him full success in his new field of labor. He could speak for the members of the board, absent as well as present, in expressing their high appreciation of the efficient and successful labors of the retiring president.

"Fellow Alumni and Visiting Friends:

was seven for acquittal and one for conviction.

The next case called was that of the Excelsior Mercantile Co. vs. The Eureka Swanson Mining Co. It went over for the term.

The attention of the court is now occupied with the case of Edward H. Mitchell vs. Eureka City, in which plaintiff asks for \$15,000 for personal injuries sustained in driving over a ditch on Main street.

A very enjoyable party was given by Apostle George, Teasdale and wife, in the Second ward meeting house last night, to the officers and teachers of the Sunday school of both wards. About 150 people were present and the time was most pleasantly spent. Interprising the dancing, brief remarks were made by Apostle Teasdale, President Paxman and Bishop Parsons. Refreshments were served by a bevy of young ladies under the direction of Sister Teasdale. All who were fortunate enough to attend, vote it one of the most enjoyable events of the season.

A Life and Death Fight.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery which wholly cured me. Hundreds have used it on my advice and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00. Trial bottles free at Z. C. M. I. Drug Dept.

THE OGDENS AT POCATELLO.

Each Team Wins a Game—Standing of the Clubs in the Utah-Idaho League—Sporting Notes.

The finest game of baseball witnessed here this season was put up at Walker's field yesterday afternoon by the Short Lines and Rio Grande Westerns.

It was a clean, snappy game from start to finish, and the result was doubtful until the last man was put out. The score, 5 to 4, in favor of the Rios, indicates what a hard contest it was.

KINLEY MACK WINS.

Result of the Suburban Handicap at Sheepshead Bay.

In the suburban handicap at Sheepshead Bay yesterday Kinley Mack, with McCue up, took first place and the \$10,000 purse. At the start Jean Beraud, with Heibelert, the favorite, and in the rear, on the stretch, Kinley Mack was let out, while Beraud and Heibelert seemed to be able to win out, passing all the place horses easily, but Kinley Mack's lead was too great to overcome, and he won by a length.

NEBRASKA STATE JOURNAL.

The largest sale of horses ever held west of the Missouri river took place at the West Lincoln stock yards yesterday. Thirty carloads of Montana horses were sold to parties from this State, Illinois, Iowa and other States. The horses were sold at auction, T. Holland of Waterloo, Ia., acting as auctioneer. They were owned by Amos & Cliff, who expressed themselves as well pleased at the number and the fair prices brought. The horses were all unbroken race horses, and the prices of course did not range as high as for a better grade of animals, but all were sold at a profit.

THE HORSES WERE BROUGHT HERE TUESDAY ON THE BURLINGTON.

It is probable that this sale will be followed by others in the near future. Manager Geoghegan of the stock yards was particularly well pleased over the results of the sale.
