WHITNEY AND SCOTT STARS.

Youngsters Show Remarkable Speed In Runs, While Russell Beats Bennion in Hammer Throw.

The meet went to Utah from the start, and is indicative of the remarkable growth of the University in the past three years, since Provo was able to take first place in a state meet. Utah took every first, often with the star men failing to enter their events. Provo was backing several men for first place, who failed to finish in the points at all, and this by the way, suggests that there's an awful difference in watches held by experts, and those held on home grounds by admiring friends. The "dope" that Provo had four men finishing abreast in 10 1-5 for the hundred, didn't look well when the men leaped in behind the points in a 10 4-5 race. The same phenomenal time recorded Saturday at Logan will probably receive a good sized readjustment, when the timers start their stars off by the flash of the gun, and stop them at the breasting of the tape.

The results at Cummings field show Provo securing not a single first place, and only three seconds, and four thirds. The total score was 111, and of these the University received 98. Hume and Adams did not participate, but their events were amply covered, even with Swapp out of the broad jump.

That Utah University was easily the strongest track and field team of her history, was demonstrated to a nicety in the first dual meet of the season, held Saturday with the B. Y. U. team from Provo. As another meet was held in Logan the same day, and still another in Denver between Colorado College and Boulder, the results of the day's work give a good outlook for the Colorado conference, and the Utah state meet, coming a week later.

The new Utah men, who surprised the crowd, and sent the bleachers wild with delight, are young Frankie Whitney, who took the breath away from everybody by putting his head down in the hundred and pulling past a large place to a finish abreast of Moore and Park, the University's veteran runners. Scott and Bailey, who finished abreast in the mile run after a sprint of over 300 yards, and then were hardly fatigued enough to notice. Hunt, who showed he can be relied upon in the hurdles, and Russell, who developed point taking distance in the hammer throw.

The largest individual point winner was Hunt, who brought home 11 for the Varsity. Russell did 10, Bennion 8, and Parke 8½. For Provo, Blair, Rose and Holdaway each made three, while Stallings, the one time champion half-miler, made 2, and Evans and Peterson 1 each.

RESULTS AT LOGAN.

Aggies Take College Into Camp With Overwhelming Victory.

The Agricultural College met the Brigham Young College in a track and field meet Saturday afternoon, and the Aggies came out of it with 94 out of a possible 112 points. A remarkable feature of the meet is that in the runs, every single one of them except the 440-yard run, the time was better than that made by the "U" stars, and in the hurdles it was the same story. Running events are those requiring expert timers, while the field events, in which it is easier to measure results, were all behind the "U" work of the same date, except in the shot put, which was five inches to the good, over Utah's best showing.

The scores:

120-yard hurdles—Stewart, Conger, A. C. Time—17 flat.

220-yard dash—Dixon, A. C.; Wilcox, B. Y. C.; Monk, A. C. Time—:22.

220-yard hurdles—Stewart and Conger, A. C.; Hovey, B. Y. C. Time—:27.

Salt Lakers See Their Baseball Team Defeated Again.

"The good old times are with us once again," sighed the Salt Lake ball fans, as they observed that Salt Lake's measure has been handily taken by Eureka, and that Salt Lake is started on its good old toboggan slide for the bottom of the state league.

Salt Lakers wouldn't know how to cheer for a winner, anyhow, so they were happy cheering for the loser in the last game, and the gallant defenders of the tailor's insignia, made good in their way, finally, by cussing out everybody who had failed to pass the word along that the proposition before them was a loaded one. Rush was the boy that did the work. He went into the box for Eureka looking easy and innocent, and came out as the star pitcher so far developed this season. In the funeral services over Salt Lake's chances he allowed them five scattered hits, and just two runs, while his people trotted around for seven, just to show how good he was in comparison. Five of these were made in the sixth, in which inning Hall, who pitched for Salt Lake, went to pieces, and was batted at will all over the field.

At Ogden yesterday Herne's two-bagger in the fifth inning saved the day for the locals, Park City losing out by a score of 6 to 4. Park City's form was much improved over the opening game, and it took close, hard work to bring a verdict.

COLORADO CHAMPION.

John C. Gaston Rolls Top Score In Bowling Match.

Denver, May 6.—John C. Gaston, president of the Denver City Bowling league, is the state champion bowler for the year. His score of 625 in the individual contests of the first annual tournament of the Colorado State Bowling association, though not a remarkably high one, proved to be at least 25 pins better than any of the other entrants could make. His lead was threatened in the last class that rolled, as George Hassett came up with some fine scores. He stopped at an even 600, leaving Mr. Gaston safely in first place. During the last winter Mr. Gaston was the manager of the Garnita bowling team, and went to Salt Lake City as one of the delegates representing this city in the western bowling congress. It was through his efforts largely that the congress was brought to this city for next year.

The close of the tournament placed Mr. Gaston first, George Hassett second and George J. Kuppinger third.

The George Morrison Reid team was high in the five-men team contests, with 2,810.

The women's games were rolled during the afternoon. Mrs. Thompson took first prize, Mrs. Weidner was second, Mrs. Waters was third, Mrs. Gibson was fourth, Mrs. Kerr was fifth, Mrs. Heffelfinger was sixth and Mrs. Embree was seventh.
