# GOLD MINES OF ARIZONA.

Stock Sold on the Board at 70 Adam Paul Talks of His Three Months' Trip Down There.

VALEO WAS MUCH WEAKER. REPORT ON GOLDEN EAGLE.

C. E. Hudson Pleased With the Property-Crown Point Law Suit-Seven Devis Mines.

Adam Paul, who returned a few days

ago from an extensive trip to southern Nevada and northern Arizona, brings good news and rich samples from a number of very promising prospects in | and the mining districts of that southern country. Mr. Paul has been away three months on this last trip, which extended | rado City, Florence and Boulder, hanfrom El Dorado canyon to Music Mountain, about twenty-two miles from Hackberry. Mr. Paul has brought some very rich gold samples from the Grounds group, near the latter place, which he has bonded. Some of the quartz is thickly imbedded with the yellow metal. Mr. Paul says a tunnel has been driven 400 feet on the vein on north side of the mountain. shaft has also been sunk 240 feet deep on the apex of the hill and about 3,000 day after banging around 36 for several feet away from the first tunnel, on the outh side of the mountain, another released today on a bid of 30.

Petro was also weaker being traded | vein. Some of the ore is very rich. The | petro was also weaker being traded | petro was a In at 20, while Northern Light sold from ton, is shipped via Kingman. The values are obtained from the lower grade by means of a steam arastra. A great deal of second class ore lies pited

up on the dump, which which is said to average close to \$29 per ton.

Mr. Paul also inspected the Gold Basin district and reports the sale of a propriate gold property. To College the Superintendent W. G. Filer of the Angrowish gold property to College. promising gold property to California perties. He also bonded a big low grade gold property from Charles Hands at this place. A very promising copper property was next secured near Lost Basin. It is known as the Nay group. The district is a gold formation on the whole, and Mr. Paul cons that it offers splendid inducements to capital. A cyanide plant of huge owing to the vast veins of low grade ore. The water inficulty would naturally arise but capital could easily be over-come that by conveying the water from

El Dorado canyon is said to be tak-ing on new life. The South West company is putting in a new 10-stamp mill and two smaller mills will shortly be share was levied yesterday afternoon working. A great many men are said by the directors of the Four Aces Mino be making their way towards the ing company. being done there is very promising for

# THE GOLDEN EAGLE.

C. E. Hudson Favorably Impressed With This Nevada Property.

C. E. Hudson has returned from his visit to the Golden Eagle mine in Hum-boldt county. Nevada, very much boldf county. Nevada, very much pleased with his first inspection of that property. He reports that the development of the property has been done in a very systematic manner. The very train from Milford Friday to carry a A second tunnel in the mill, was then run to the vein and from this tunnel a shaft was sunk about 80 feet and a 150-foot drift was run on the vein. The upper tunnel has been run on the vein a distance of 450 feet. The vein is reported to average 4 feet in all ,20% that distance. The lower tunnel was ex-tended 574 feet before the vein was intercepted. It was afterwards run on Springs, the vein a distance of 435 feet, During Roston this distance the vein varies greatly, str to break the monotony of the copsometimes almost pinching out. The avorage width, however, is said to be close to 3 feet. The bulk of the ore is but for all that, however, some very high grade ore is uncovered from time to time, which uncovered from time to time, which greatly raises the average. The pipe line is within 14 miles from the mill site. As soon as this is finished an bundant supply of spring water will The watchman is conat the property. Several thousand tons of ore is on the dump and from 5,000 to tons are already blocked out in

going into the Jackson district, about 35 miles north of the Golden Eagle. Some excellent copper ore has lately been ound there, some of which assays as

A good deal of excitement is said to al discoveries about five miles away and free gold quarts have been found and a number of met are prospecting the country in that vi-

The hearing was had or June 28 and continued to July 5. Mat-thews falled to appear for further examination, and the referee caused him to be brought before Judge Cherry to

answer for contempt,
Matthews denied that he had wilfully disobeyed Judge Timmony's order, and said he had followed out the instructions given him by his attorney, Mr. George L. Nye. The latter also dis-claimed any intention of treating Refere Timmony with contempt, and proved to the satisfaction of the court's mind that there had been a sort of a misunderstanding all around. His hono ordered that the defendant be purged of contempt upon payment of the costs incurred, and at the same time vacated the order appointing Judge Timmony

referee. Since the Hanks judgment was rendered, Matthews has asked to be de-clared a bankrupt. This matter is still pending before Referee Baldwin.

### DEATH OF GEO. KINISON. Dies of Tuberculis at Castle Dale on the 10th Inst.

Chief of Police Thomas H. Hilton today received a letter from J. W. Dan. in the Hoosier capital. gerfield at Portland, Oregon, announcing the death of George Kinison, which took place on the 10th inst. at Castle

Dale. Accompanying the letter was a tele gram to Mr. Dangerfield from Abinadt or "Nad" Olsen, informing him (Dangerfield) of young Kinison's demise.

The deceased was twenty-two years of age, and in 1864 his parents emigrat. ed from Canada to Samoa where his father was engaged as a boat builder. The family joined the Church of Jesus Christ of Latter-day Saints in Samoa, and their home was always a place

of rest for the Elders. Several months ago the young man contracted tuberculosis and returned to this country. He died a victim of that disease on the 10th inst. Chief Hil-ton was well acquainted with the young islands, and speaks very highly of him.

# LATE LOCAL NEWS.

The City Council will meet in adourned session this evening, when udges for the various districts for the cond election next Monday will be appointed and confirmed.

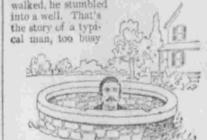

The officers of the board of public works and the land and water commissioner will next week be moved from the top floor of the city and county building to vacant rooms in the base-ment, west of the health department. The latter rooms will have to undergo cleaning process before they will be ready.

The directors of the Orphans' Home and Day Nursery met this morning at he home of Mrs. Dickert and discussed clans for the future of the new home The question of getting water distri-buted throughout the building was dis-cussed, especially for the provision of bathrooms for the inmates, and it is hoped that in the lack of means which exists for this object that a donation will be made by some generous friend ager for the company's properties, no successor to Mr. Brixen has been chosen as yet. The matter of the effort of the city to acquire some of the company's land on State street for the purpose of making wider the roadway through to of the institution to cover this need. The place has an abundant water supply in the flowing wells on the grounds, but there are no means on hand for puting it into the house

Comprising the party were Henry French, a retired police captain. the 16-year-old grand-larcenist, will appear before Judge Norrell at 10 o'clock formerly New York assemblyman from

There is a story of a man who was so busy looking at the stars that, as he walked, he stumbled into a well. That's

looking at things away off, to notice more important things near by. One-sixth of all deaths are from consumption. But the man goes along with his eyes bulging to watch cholera and yellow fever. He disdains to cure the cold or check the little cough, and con-

sumption trips him up.

Don't neglect little ailments. Keep the system up to the point of effectual resistance against disease. This is best done by the use of Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, increases the action of the blood-making glands, cures all disorders of the organs of digestion and nutrition, except cancer of the stomach, purifies the blood, increases the vital energy and so enables the body to resist and throw off disease. Even when there is emaciation, weakness, hectic, cough, bleeding at the lungs and other alarming symptoms, "Golden Medical Discovery" can be counted on to help every time and to heal 98 times out of every hundred. Sick people can consult Dr. R. V.

"Last spring I was taken with severe pains in my chest, and was so weak I could hardly walk about the house," says Mrs. G. E. Kerr, of Fort Dodge. Webster Co., lowa. "I tried several physicians and they told me I had consumption, I heard of Dr. Pierce's Codden Medical Discovery and I thought I would try some of it. Before I had taken the first bottle I was very much better. I took five bottles of it and have not yet had any return of the trouble."

Headache is cured by using Dr. Pierce's Pleasant Pellets. Pierce's Pleasant Pellets.
