

VICTIM OF BULLET DIES AT HOSPITAL

Miss Marguerite Golding Passes
Away at St. Mark's Without
Regaining Consciousness.

AFTER FORTY-EIGHT HOURS.

Young Brother Who Used 22 Caliber
Gun is Heart-Broken and Family
Are Prostrated With Grief.

At 6:45 o'clock last night Miss Marguerite Golding, one of Salt Lake's most beautiful maidens of 30 years, passed away at St. Mark's hospital, the victim of a 22 caliber rifle bullet fired Tuesday evening by her 12-year-old brother, Brigham J. Golding, Jr. Miss Golding never regained consciousness after the accident, and lingered at the hospital for 48 hours in an unconscious stupor. An effort was made to locate the bullet, which pierced her brain, passing through the skull behind her left ear, but this effort was not successful, and Miss Golding passed quietly to her death from the stupor in which she was picked up by her parents immediately after the accident.

Young "Bris" Golding was firing at a target in the back yard of the family home at 138 east Eighth South street when the accident occurred, and his sister was fatally shot as she sat in an arbor near the coal shed on which the target was fixed.

Miss Golding has lived for her full 20 years of life in Utah. Her father, B. J. Golding, is messenger at the federal court, and is well known in Salt Lake, where he has lived for many years. The unfortunate victim of the accident has for some time been an operator at the Rocky Mountain Bell Telephone offices and Thursday evening a number of her friends called to express their deep sympathy with the bereaved family, and sorrow over what had occurred. The members of the family surviving are the father and mother, and Misses Eunice and Emma Golding, with the little 12-year-old son "Bris." Joseph William Taylor has charge of the remains of Miss Golding, and the funeral arrangements are being made today. The funeral will probably be held Sunday, but the time has not yet been announced.

U. P. BONDS SUBSCRIBED.

Between Stockholders and Wall Street
Firm Most of Issue Goes.

New York, July 11.—A little more than \$4,000,000 of the Union Pacific Railroad company's new convertible bond issue of \$75,000,000 was subscribed by the stockholders, according to an announcement by that company today. The balance goes to a syndicate headed by Kuhn, Loeb & Co. Subscriptions to this issue closed yesterday. It was made against a recent addition of \$100,000,000 to the company's capital stock and the proceeds of it are to be devoted to improvements. It was also announced today that about \$3,000,000 of a bond issue of \$28,000,000 by the Atchison, Topeka & Santa Fe Railroad company was taken by the stockholders. There is no underwriting syndicate connected with the Atchison issue, but it is understood that the remaining \$17,000,000 of bonds will be taken by bankers heretofore identified with the Atchison road.

In financial circles the small takings of these offerings occasioned no surprise; in fact, had been discounted some weeks ago. The bond market shows absolutely no investment demand.

BOUNTIFUL AND WILLARD.

They Meet in Decisive Baseball Battle
At Lagoon Grounds.

By a score of 14 to 1, Bountiful's baseball cohorts sent the youths of Willard down to defeat at Lagoon yesterday afternoon. Grant of Bountiful pitched Willard to death, and while Keller of Willard tried to hold up his end of the pitching game, the Bountiful batters were too many for him, and they circled for home time after time with telling effects on the score. To add to the general festival of sprinting around the diamond, ragged Willard fielding was much in evidence, and it was all taken full advantage of by the youngsters from Davis. The game was as bitterly contested in the bleachers as on the diamond, and there were many times when the umpire was almost served for dinner on toast.

CITY ENGINEER'S REPORT.

Estimates for Public Improvements
Are \$1,700,000 for Six Months.

City Engineer Kelsey has prepared a report showing the work of his department during the first six months of the year. A new record in the matter of preliminary estimates for public improvements was established during that period, the total amount of such estimates being \$1,700,000. For the entire year 1906 the total amount of estimates prepared by the city engineer's office during the six months just past amounted to \$6,635.31 as compared with \$2,456.45 for the same period last year.

MISS MARGUERITE GOLDING.

TO BE EXAMINED FOR HIS SANITY

Hearing of W. J. Gaskell, Alias W.
J. Wilson, Will be Held Before
Judge Lewis July 23.

THREATENED SALT LAKE MEN.

Gaskell Denies That He Did So, and
Asks for Warrant for McChrystal's
Arrest on Murder Charge.

After appearing before the judges yesterday afternoon in regard to his hearing on the charge of insanity, W. J. Gaskell, alias W. J. Wilson, succeeded in having the date of his mental examination set for July 23 before Judge Lewis. The charge is preferred against Gaskell by J. H. McChrystal, one of the men whom Gaskell had threatened to kill because of a fancied grievance against him over some mining property. Gaskell has killed several men in this state and in Colorado and was recently released from the Colorado state prison after serving a term there for murder. He had written several threats to Mr. McChrystal and also to John Q. Packard and when it was discovered that he was coming to Salt Lake officers met him at the depot and placed him under arrest. The charge of threatening to kill was placed against him and he has been in the county jail for several weeks. The charge was dismissed the early part of this week and a complaint charging him with insanity was filed.

SCHULDER WILL NOT DEFEND.

When Gaskell was brought before Judge Armstrong yesterday afternoon he asked time to secure an attorney and stated that he wanted Atty. R. G. Schuller to look after his interests. A delay was had awaiting the arrival of Mr. Schuller. When he arrived he had a brief consultation with Gaskell and afterwards with Judge Armstrong and the result was that he did not take charge of the case.

CHARGE AGAINST MCCHRISTAL.

As a further continuance was necessary and Judge Armstrong had to go to Summit county to hold court next week he transferred the case to Judge Lewis. In the latter's court Gaskell made a statement in which he denied having made threats against McChrystal and Packard and declared that he was on his way to British Columbia when arrested. He requested that he be given a warrant for the arrest of Mr. McChrystal upon the charge of murder and insisted that he could furnish the necessary proof.

GASKELL A BRITISH SUBJECT.

The man further declared that he is a British subject and showed a letter received from the consul in San Francisco who advised him to secure counsel and protect his rights. In asking for an attorney, Gaskell said that he did not want one of only two or three weeks' experience but that he wanted a good one like P. L. Williams or Judge Henderson.

COMPLAINS OF JAIL FOOD.

The man also complained about the food at the jail and that his mail was opened by the jailor before he was permitted to see it, which is one of the rules of the jail.

FRIENDLY SUIT.

T. H. Fitzgerald Seeks to Recover \$20,000 on Railway Option.

Suit has been filed in the district court by T. H. Fitzgerald against McCornick & Co., to recover a certain check for \$20,000 deposited in the bank of plaintiff on June 1 on the option which he and his associates secured from John W. Young on the Sanpete Valley railroad. The check price of the road was about \$1,000,000 and it was agreed that title should be delivered within 60 days from June 1, but it is alleged that Young and his associates failed to comply with that condition, hence suit is brought to recover the check. The suit is said to be a friendly one.

COURT NOTES.

During yesterday afternoon's session of Judge Dichi's court, Ed Bart, a man arrested by Detectives Shalmon and Wilson, managed to escape. How the man got away unobserved is not known, but it is believed he slipped out when the prisoners were being taken from jail to the courtroom.

John Powell, Herbert Anderson and Joseph Perkins were brought in from Canyon Crest ranch yesterday and were committed to the state industrial school by Judge Dichi of the juvenile court. The boys were given a chance to reform but they failed to make good so they have to go to the reform school.

CITY MAY YET HAVE PARK COMMISSION

After Slumbering for Months in
Committee Pigeon Hole, Hobday
Ordinance Comes Forth.

WILL BE REPORTED MONDAY.

Saloon Ordinance, Providing Only One
Saloon for 1,000 People, to be Set-
tled on Floor of Council.

After slumbering in the pouch of the municipal laws committee for several months past, the Hobday ordinance providing for the creation of a park commission in this city as recommended by the Commercial club, was brought out last night, dusted off and recommended for passage. It will be reported upon by the committee at the council meeting Monday night and will no doubt pass.

The park commission is to be appointed by the mayor and will consist of five members who shall serve without pay. This commission will have supervision over all the parks in the city, all boulevards and the parking of the streets. It will have the authority to appoint a superintendent of parks at a salary of \$125 per month and assistants to help him.

The ordinance also authorizes the commission to create parking districts throughout the city and to assess the property owners for the maintenance of the same.

CREATES PARKING DISTRICTS.

Another ordinance bearing on this subject was also recommended for passage last night. It provides for the creation of parking districts as follows: South Temple street, from State street to the military reservation; First South from Second to Thirteenth East; Second South from Second to Tenth East; Sixth East, from South Temple to Ninth South street.

BLACK'S SALOON ORDINANCE.

The same committee also reported favorably on Black's saloon ordinance, which limits the number of saloons in the city to 1 for each 1,000 population. This ordinance has been held up by the committee for six months past, and although the committee was not very strongly in favor of it, it was decided to report on it and let the matter be settled on the floor of the council. This will be done Monday night, and it is very probable that the ordinance will be defeated.

SOCIAL AND PERSONAL.

One of the many pleasant dancing parties of the week was given last night by Miss Mary Young at her home, 305 First avenue, in honor of Mr. and Mrs. Nephil L. Morris and Mr. and Mrs. Walter Poulton.

ABRAHAM LINCOLN.

The lawn party given last night by Mrs. J. J. Thomas in honor of Miss Edna Davis was a delightful affair. An attractive feature was the fortune telling booth conducted in a weird and witch-like manner by Mrs. Byron Cummings. Nearly a hundred guests were present.

The second of her buffet luncheons was given by Mrs. W. S. Walker yesterday. Idlewild presented the same.

some of enchantment as delighted the guests of the day before. Refreshments and punch were served on the veranda by Mrs. Sam Porter, Mrs. S. L. Sprague, Mrs. M. J. Cheesman, Mrs. J. R. Walker and Mrs. Ray Walker. During the afternoon, some pleasing vocal selections were given by Mrs. R. C. Alay.

The party given last evening by Miss Della and Claude Q. Cannon, was in every way delightful to the 200 young people who attended. The spacious grounds were illuminated with parti-colored lights, interspersed with Japanese lanterns. The dancing floor was the main attraction with Christensen's orchestra in attendance, while easy chairs, divans and rugs arranged beneath the majestic trees formed ideal lounging corners. The punch bowl was presided over by Miss Alice Pitt, Miss Emily Barnes and Miss Hazel Cannon in a pretty flag draped booth on the north lawn. Tonight, the last of the series will be given to the young friends of Miss Hazel and David Cannon.

Thursday evening the Junior assembly gave a large dancing party at the Ladies' Literary club. The chaperons of the evening were Mrs. P. C. Thompson, Mrs. Walter G. Flier, Mrs. Brigham T. Cannon and Mrs. Leslie Savage.

A most enjoyable afternoon was spent yesterday at the home of Mrs. Eva Y. Davis on First street, for Mrs. Nettie Y. Baston, who is here on a visit. Reminiscences of early days in the Lion House were given, delicious refreshments were served, while during the afternoon the guests were convulsed by the old-time dancing of Auntie Zina, Mira and Susa. In addition to the sisters of Mrs. Easton, the following ladies were present: Mrs. H. L. A. Culmer, Mrs. O. F. Whittey, Mrs. George D. Pyper and Miss Kate Wells.

Mr. and Mrs. D. H. Christensen have gone to Berkeley for the summer.

Mrs. Leslie Savage will entertain in honor of Miss Cheesman at the Country club this afternoon.

A pleasant lake party was given on Wednesday by the M. B. club. After a dip in the brine, a dainty lunch was served to the following: Misses Eva Walker, Nellie Hamilton, Lenore Wats, Ethel Powell, Eva Scott, Lettie Davis, Ethel Tingy, Violate Davis, Hilda Sanders, Pauline Walker, Maggie Hamilton and Sarah Allison.

In honor of Miss Wymond of Kentucky, a luncheon was given by Miss McCormick yesterday.

Mrs. D. R. Gray has returned from Glenwood Springs.

Mrs. Ella Cumming Weitzel is visiting in her home town, Portland. Several entertainments have been given in her honor.

Lee, Robert N. Campbell has as guests Julian and William Campbell of Johnson City, Tenn.

The friends of Mrs. Kate Bridwell Anderson gave her a reception last evening, prior to her departure to Oakland, Cal., where she expects to remain. Mrs. Anderson has long been a prominent figure in Salt Lake musical circles, particularly in concert and church choir work, and she will be much missed. She has the reputation of being a very capable instructor. Until recently Mrs. Anderson was first soprano in the First Presbyterian church of this city. She is a southern woman and was instrumental in the organization of the local branch of the Daughters of the Confederacy.

Make
Good
Soap

To make good soap—soap that will give best satisfaction—that will not turn rancid, use

Red Seal Lye

—the very best on the market. By its use far better soap can be made than with old style lye. Nothing better for softening water. Put up in a convenient sifting top can for household purposes such as disinfecting, cleaning, etc.
