Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray hair to its natural color, and keep it from falling out. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effect on the hair is beautiful, showing a bronzy, wavy, or silky hair, to which a few applications will produce the gloss and freshness of youth. It is inestimable as a dressing, and is especially valued for the soft, lustrous and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white cambric, yet it lasts long on the hair, and keeps it fresh and vigorous. For sale by all dealers. d47
