We learned from him that he and some others among whom was a Mr. Read, were cruising around the South Sea islands enquiring as to their condition and the practicability of an opening for the establishment of a branch of their church. Whereas, The People's party, at the desire of its members, by its constituted authorities has been dissolved, and no

longer exists, and
Whereas it is the expressed desire of those who formerly composed that party to divide upon national lines in harmony with American politics and methods, and many have already done so by attaching themselves, according to their prefer-ences, to the Democratic and Republican parties, and Whereas, in Utah, as elsewhere in our

country, the Democratic party seeks to enlist the services of every patriotic citizen, to secure the triumphs of its principles, that the best interests of the whole country may be subserved.

Now, therefore, be it resolved: First—That it is the sense of this committee that the Democratic party of Utah accepts the act of the dissolution of the People's party as done in all sincerity and good faith, and will give to its former members who may unite with it a cordial welcome.

Second—That it rejoices in the belief that we are now entering upon an era of good will wherein the animosities engendered by past local contentions will be healed, and that the people of the Terriheated, and that the people of the Territory, while contending for the supremacy of the national party of their choice, will unitedly work in peace, and without biterness and strife, for the prosperity and happiness of the Territory.

Third—That a committee, composed of the choice, and three their composed of the choice and three thre

the chairman and three other members of this committee, prepare and issue an address to the Democrats of this Territory, calling upon them to unite as one man in an effort to build up the party iu

As a minority report, Joseph Cohen (proxy for John Shields) submitted the following and moved that it be substituted for the majority report:

Whereas, Believing that the time is not yet opportune for the Gentiles of Utah to divide on party lines, and regarding the dismemberment of the People's party as a ruse of the leaders of the Mormon Church for the purpose of obtaining statehood and ultimately gaining its political control to the detriment of the best interests and welfare of the Teritory.

Resolved, That this committee take no action toward a division on party lines, believing that it is not within their province so to do; that when in the opin-ion of this committee the time shall have arrived to divide on party lines a Democratic Territorial convention shall be called to act on the matter, and the chairman and secretary of this committee shall be authorized to issue such a call.
