

Amusements  
In his third appearance before a Salt Lake audience, Mr. Alfred A. Farland, truly the "musical of the banjo," again delighted his hearers at the Congregational church last evening with a program of excellent merit from a musical standpoint. He certainly sustained his reputation of being a musician of marvelous ability; his technique and timing being as rare as it is wonderful. The numbers played by Mr. Farland were both classical and light and were arranged with a view to pleasing any kind of an audience. He was warmly received upon his entrance and at the end of each number he was heartily applauded. He has created a class in the musical world, fills it alone and is without a peer on the banjo.

KING VINDICATED.  
Veteran Trustee Found Not Guilty of Petit Larceny.  
For once in his life Tom King, the veteran longshoreman who has spent the last 10 or 15 years in the city jail for drunkenness and kindred offenses, was found not guilty in Judge Dinah's court late yesterday afternoon of the charge of petit larceny, and was ordered discharged. It was a long and interesting trial, and it was given his liberty he marched proudly up and down the street telling everybody of his good fortune.

A RARE CHRISTMAS BOOK.  
The Deseret News Book Store is pleased to announce that it has secured a limited number of the work, "Pictures of an Inland Sea," written and illustrated by Alfred Lambourne, the well-known Utah artist, and that it will offer them to the holiday trade at 50 per cent less than last year's prices. Nothing more beautiful than this book, which is written in Mr. Lambourne's best style, and contains seven photogravure plates from the author's original sketches, could be selected as a Christmas present to send away to friends interested in Utah. The price last year was \$1.00. It is now offered at 50c to close out the edition. The book is printed on heavy deckle-edge paper and bound in fine art bookwork. A limited number of the book has also been bound in paper, with a design of Salt Lake in colors. This style sells at 25c. Special rates below these unusually cheap prices are offered agents and dealers. Anyone desiring a rare art work, at half price on a subject so interesting to all Utahans at home and abroad should call immediately and see Mr. Lambourne's work, before the limited supply is exhausted.

DAILY GRAIN LETTER.  
Messrs. Logan-Bryan of Chicago telegraph their local correspondents, James A. Pullock & Co., over their private wire, on the grain and provision situation, as follows:  
Chicago, Dec. 7.—Wheat—Broomhall cables Liverpool strength caused by advance in American markets. Reports of rust in Argentine being generally discredited moderate realizing caused a fractional decline in late Liverpool dealings. A later cable from Buenos Aires showing that rust has caused slight damage in two provinces and damage would be increased if weather continued bad. The cables received from private sources report Argentine weather fine. Condition of crop favorable. Market again today was under the influence of conflicting reports regarding the Argentine crop. Shortly after the opening market reacted 1/2, rallying sharply on publication of Bradstreet figures showing total stocks decreased 2,624,000. This in face of an expected increase caused a sharp covering movement, market rallying 1/2. The wheat sold by leading cables exhibited in yesterday's market and there seemed to be some inclination on the part of traders to go slow pending confirmation of Argentine reports. We would feel more in sympathy with this advance if the foreign markets depending on the Argentine crop had not been so high. The consecration of Episcopal Bishop-elect Spalding of this diocese will take place at St. Paul's church, Erie, Pa., Dec. 14. The consecrators are: Presiding Bishops, Bishop of New Jersey, Bishop of Pittsburgh; Presenters, Bishop of Pennsylvania and the Bishop of Ohio. Penmanship, President, the Bishop of Ohio; Secretary, Rev. E. J. Knight and the Rev. A. R. Taylor.  
On the day of the consecration, 10 a. m., at St. Mark's cathedral in this city, the holy communion will be celebrated with special intercession for the new bishop. He expects to be in Salt Lake on the first or at the latest on the second Sunday of the New Year.

At the theater last night there was only a fair turnout to see Thomas Jefferson in his venerable father's venerable play "Rip Van Winkle." The play has been a household word in Salt Lake for so many generations, that it only needs to be said that its only charm and its only story pleases in a mild sort of way, but it is doubtful whether it can ever be made a success from the theatrical standpoint when played by anyone else than the immortal Joe himself. His son, Thomas, gives an excellent imitation of his father's character and he is admirably staged, and the star was fairly well supported. The same bill-goes again tonight for the last time.

REBATES ALLEGED.  
Suit Brought by Salt Lake Hardware Co. Against Union Pacific.  
An important test suit has been filed in the United States court against the Union Pacific and Oregon Short Line railroads, by the Salt Lake Hardware company. The charge is discrimination in freight rates, and will be of interest to all importers of merchandise whose tariff rates will be affected by the decision. The complaint of the hardware company grows out of the fact that they have to sell their goods on which they pay full rates, in competition with other goods which come in at cheaper rates, acquired through "rebates, drawbacks, concessions and discriminations." These rebates, it is alleged, offered to Salt Lake and Ogden concerns, amount to 33 per cent of the published tariffs. Damages accruing by reason of these rebates, the plaintiff fixes at \$19,465.22, and asks for a decision for that amount.
