SPECIAL TO THE DESERET NEWS.

By Telegraph.

GENERAL.

CHICAGO, 8.—The rain storm which
prevailed throughout central Illinois
on Thursday and Thursday night, was
one of the most severe ever experienced,
flooding the whole country, doing im-
mense damage to roads, railways, and
crops, drowning hundreds of live stock,
and in the river and creek bottoms, it
swept away houses, barns, fences, etc.
Great damage is done to all the rail-
ways running through central Illinois.
The Chicago, Burlington and Quincy
road had several miles of track washed
away, and a great number of bridges
and culverts destroyed. The Toledo,
Peoria and Western railway also suffer-
ed greatly, and on the Quincy and
Alton railway, which runs for about
thirty miles along the Mississippi river
bottom, there have been no trains since
Thursday. Throughout Peoria, Han-
cock, Fulton, Schuyler, Adams, Brown,

and other counties, in what is known
as the military tract, nearly every
bridge was swept away. The Illinois
river overflowed, and a singular result
has followed the immense water which
forced into it from the creeks. At a
point 200 miles above the mouth, the
current is changed, and it is now run-
ning north. The loss will reach many
hundred thousands of dollars.

LONDON, Ont., 8.—There is considera-
ble excitement here over the alleged
abduction of one Brafton, an American,
charged with robbing the post office at
Hillsboro, N. C. He was seized here
by a detective, chloroformed, taken to
Detroit, and then sent to North Caroli-
na. A demand will be made for his
extradition.

WASHINGTON, 9.—Among the nom-
inations confirmed by the Senate yes-
terday were Gilderoy Wells, Kentucky,
to Copenhagen; Isaac Wells, Marshal
2nd District Court; Abram G. Hayt,
register land office, Santa Fe.

In about two weeks the treaty be-
tween the U. S. and Japan will be com-
pleted, when the embassy will end
their official relations with the govern-
ment.

No information has been received
from London to-day, showing any
change in the situation on the treaty
question. The British are taking time
for further consideration.

The Vice President in reply ex-
pressed his pride and gratification at
the friendly assurances of the delega-
tion, said he rejoiced that after eighteen
years of public life, with the records
before the people, the most that could
be said of him at Philadelphia was
that he had written a letter stating
his willingness and desire to retire
from official position and had after-
wards consented to accept re-nomina-
tion. He explained what he said here-
tofore, had he felt prohibited from say-
ing that the letter in question was not
written or intended for publication.
He had expected to submit the desire
he felt and which was expressed in it
to leading Republicans from his own
State and elsewhere, when Congress
reassembled, for their advice, but he
said he must add in justice to the val-
ued friend to whom he wrote that the
letter was not marked confidential, and
being from a public man, on a public
question, that friend had the unques-
tionable right to infer that it was not
private, and therefore he justified him-
self in printing it. He concluded
with warm expressions of devotion to
the Republican party, wishing espe-
cially a decisive victory in October in
the closely contested State of Indiana,
and said he should join with them in
November in cordially supporting
Ulysses S. Grant and Henry Wilson for
President and Vice President of the
United States.

NEW YORK, 9.—The features of the
great strike remain nearly the same,
although the progressive movement on
the part of strikers continues. There
are great preparations for a grand de-
monstration to-morrow. The execu-
tive committee of the eight-hour league
states that if the day is fine one hun-
dred thousand workmen will partici-
pate, and representatives of trades
from many other cities. Bands have
been engaged to march at the head of
all trades. The leaders predict that
the demonstration will greatly aid the
cause.

LOCAL AND OTHER MATTERS.

FROM MONDAY'S DAILY, JUNE 10.

SICK.—We regret to have to state that
Elder Orson Hyde had a severe attack of
illness last night at 11 o'clock. He revived
considerably till 10 a. m. to-day, when he
took a relapse. Dr. Benedict believes the
malady to be apoplexy.

DROWNED.—We regret to have to state
that Sister Eliza, wife of Brother James
Whitehead, the latter an employe at Smoot
& Co's. woollen factory, was accidentally
drowned in Canyon Creek, in the vicinity
of the mill, about nine o'clock on Saturday
morning. About the time aforementioned
she went to the creek, which was very
much swollen, for the purpose of washing
a couple of boxes, and it is supposed that,
while thus engaged, the bank gave way
under her feet, precipitating her into the
stream. The body was found at a point
about half a mile below where she fell in.
We are informed that Mrs. Whitehead was
an estimable young woman, being about
thirty years of age. She was formerly of
England and had only been in this country
about a year. The funeral services of the
deceased took place yesterday, and were
attended by a numerous company of
friends.

BRIGHAM CITY.—On Saturday morning
President Brigham Young, accompanied
by a party of invited friends, left this city,

to hold a two-days' meeting at Brigham
City. The party consisted of Presidents
Young and Wells, of the First Presidency;
Elders Orson Hyde, C. C. Rich and Joseph
F. Smith, of the Quorum of the Twelve;
Bishop Edward Hunter, President Joseph
Young, Bishop Thomas Taylor, Bishop
Budge, of Paris, Rich Co.; Elders A. M.
Musser, Isaac Groo, Bernard Schettler,
Henry Grow, R. V. Morris, James A.
Little, Joseph and John Rich, Milando
Pratt, John R. Winder, A. P. Rockwood,
Wm. Naylor, Captain Burt, John Squires,
J. L. Blythe, A. Piper, John D. T. Mc-
Allister, James Toms, A. Burt, and a
number of others, besides a large number
of ladies. The train left the U. C. R. R.
depot at 10 minutes to 7 and reached Ogden
at about 8 o'clock, where the party were
joined by Elders F. D. Richards, L. Farr,
Walter Thompson and other citizens of
Ogden.

After a delay of a few minutes, the train
was shunted on to the C. P. R. R. line, and
ran to the junction of the U. N. R. R., a
distance of fourteen or fifteen miles, where
they changed cars, and proceeded on their
way to Brigham city.

The point of the U. N. R. R. nearest to
Brigham city is opposite to and about
three-quarters of a mile distant, upon
reaching which, a large number of teams
were waiting to convey the visitors up to
the meeting-house, which was reached at a
few minutes past ten o'clock.

The meetings were held in a large
bowery, which had been newly covered
with foliage, affording a delightful shade
for the large congregations which assem-
bled.

At the meeting on Saturday morning,
the speakers were Elders Orson Hyde and
C. C. Rich, and President Joseph Young.

In the afternoon Elder James A.
Little, Bishop Thos. Taylor, and Elders
Isaac Groo and C. W. Penrose occupied
the time.

On Saturday evening Elder John Tay-
lor, of the twelve, Bishop R. T. Burton,
Elders Joseph A. Young, A. M. Cannon
and Robert L. Campbell arrived; and on
Sunday morning five hundred people from
Cache Valley arrived in Brigham City to
attend the meetings, the U. N. R. R. giving
them a free ride over their line from and to
the end of the track—some fourteen or fif-
teen miles from Brigham City.

On Sunday the congregations were very
large, the first and last speaker at the
morning's meeting was President Young,
the intermediate speakers were President
Wells and Elder J. D. T. McAllister. At
the close of the morning's meeting an inter-
mission of an hour was taken.

In the afternoon Elders John Taylor,
Joseph F. Smith and R. T. Burton sever-
ally addressed the congregation, and im-
mediately after the close of the meeting—a
few minutes past 3 o'clock, vehicles being
in waiting, the party was taken to the
U. N. R. R., and were "all aboard" at twen-
ty-five minutes past 3.

The journey to Ogden was accomplished
by a quarter to 5 and the party left Ogden
at 5, reaching this city a quarter past 6.

The meetings at Brigham were spirited,
good counsel and instruction were given,
and the people manifested very great plea-
sure in again beholding and hearing the
words of eternal life from President
Young.

DROWNED.—Yesterday Arthur Brough-
ton, aged nineteen years, was accidentally
drowned in Jordan, while bathing with

a number of other youths. The accident
occurred about 300 yards above White
Bridge. It appears the young man got
into deep water, and being unable to swim,
was carried down stream. He was em-
ployed as a clerk in the store of Messrs.
Teasdale & Co., and is said to have been a
young man of considerable promise.

"G. M. D."—Don't stand aghast with awe
and fear, eyes wide open, hair on end and fin-
gers tightly clinched with the idea that these
mysterious symbols are cabalistic signs and
represent some secret organization of masked
demons, who carry terror and dismay with
their midnight prowlings and disperse on the
dawn of morning. No! They are only the in-
itials of Dr. Pierce's Golden Medical Discovery,
that pleasant medicine which has acquired a
National reputation and proven so efficacious
in Coughs, Colds, Bronchitis, Consumption and
kindred diseases. For these complaints it has
no equal. Sold by all druggists. s57 w19

Patent Honey Extractor.—Those who
have Bees cannot make a more profitable in-
vestment than to purchase J. S. Peabody's
Honey Extractor; it saves more than half the
time of the Bees. It enables those owning Bees
to take the honey from the comb without in-
juring the latter,—thus providing abundant
cells for the Queen to deposit her Eggs—as it
now is the working Bees are crowding the cells
with honey to the exclusion of the Queen that
should be kept employed to prove prosperous.
