# Every AWAY ON A VISIT Heart Beat

Forces about 8 ounces of blood out of the heart, and sends it coursing through the veins to the remotest part of the body. This is the amount required by nature to nourish and sustain your body. Every ounce less than this means a shortage in nature's supply of building-up material. A weak heart cannot meet this demand, and consequently you suffer. If your heart skips a beat, or flutters, palpitates, pains you, or you have shortness of breath, you may be sure that the heart is working imperfectly.

Dr. Miles' Heart Cure will strengthen the heart muscles and nerves.

"I had been a great sufferer for 15 years. At the time I commenced taking Dr. Miles' Heart Cure I had been confined to my bed for four months. I had frequent sinking spells, sometimes as many as three in a day, during which my heart would seem to ston hearthy more sufficient to studuring which my heart would seem to stop beating, necessitating the call-ing of a physician to resuecitate me. Before finishing the first bottle the sinking spells had canned, and I took altogether five bottles for a complete cure. I now enjoy perfect health, and am very grateful for this wonderful medicine, for it is the means of my being with my family now." REBECCA BENNET, 1550 Yandow & Indowskie Lub

JOHN W. KEELE DEAD.

JOHN W. KEELE DEAD. John W. Keele, one of Payson's oldest residents, died here yesterday morping of diabetes, after a long liness. He was bern in Greene county, Illinois, in 1812, and came to Utah when 10 years old. Pay-son has been his home since coming to Utah except a short period spent in the mission on the Muddy. He was the father of 15 children, to of whom have pass-d to the other side. His wife and five chil-dren survive him. Much sympathy is fell for Sister Keele as she lost three grown daughters by accidental drowning in Utah lake a few years ago. The father of John W. Keele was killed by the In-dans while on duty in early days during the settlement of Utah, and John did ser-vice himself in guarding the homes of the settlers in those trying times. Funetal services will be held from the First ward meetinghouse Sundar, July 8, at 2 p. m.
