## The Weed Sewing Machine Company

Have Opened a

Branch Office in Salt Lake City, Utah,

CONTINUING the business carried on for the past four years by Mr. Ira Pfoutz. The name of this machine, *Family Favorite*, indicates its qualities.

**SIMPLE! CAPABLE! DURABLE!**

1st.—Because it is adapted to all the wants of family sewing.

2d.—Because it can be readily comprehended by any one wishing to sew.

3d.—Because it runs so easily.

4th.—Because it is always ready and never takes on "fits."

5th.—Because it will do any kind of sewing with less changes and fewer extra attachments than any other machine.

6th.—Because it is self-adjusting.

7th.—Because it is made of the very best materials, and in the most thorough manner, and will never wear out.

It is a two thread machine, making an elastic Lock-stitch.

It has a straight short Needle.

It has a Shuttle with a Patent Spring Tension.

Its Upper Tension requires no manipulating to admit the passage of kinky or uneven thread, whether linen, cotton or silk.

Its oiling is done upon the under side by turning it up on its hinges, and soiling goods is impossible.

Its stand is solid and firm.

Its table is long and roomy.

Every part works positively, and it is not subject to the yielding or uncertain operation of springs.

No machine costs so little for new parts and repairs.

Needles and all articles required are furnished at less prices than those for other machines.

Agents wanted in every town in this vicinity.
