PLEASANT GREEN.

Annual Social and Reunion of 14th Quorum of Seventy.

Special Correspondence.

Pleasant Green, Salt Lake Co., Feb. 14.—The fourteenth quorum of Seventy held their annual reunion and social at Pleasant Green yesterday, and a royal good time was had. The bishops were with their counselors, also quite a sprinkling of the young folks. The hall was beautifully decorated, thanks to the willing hands of the committee of young ladies and gentlemen, who also served their time and services in making the supper tables. After supper the time was spent in dancing, singing, recitations and speeches.

AMERICAN FORK.

Supposed Case of Smallpox—Co-op. Store's Good Showing.

Special Correspondence.

American Fork, Utah Co., Feb. 14.—The place of Mr. Jacob Greenwood of this place, placed under quarantine on account of one of the children having a supposed case of smallpox. In conversation with Dr. J. F. Noyes, he stated that the case was of a very mild type, but as a precautionary measure thought that a strict quarantine should be enforced.

CO-OP'S GOOD SHOWING.

The American Fork Co-operative institution held its annual stockholders' meeting in the city hall here Monday afternoon to hear the financial report of the institution for the past year. A large number of the stockholders were present. The report showed the institution to be in a thriving condition. Notwithstanding the outlay of nearly \$10,000 for improvements, a dividend of 5 per cent on the capital stock was declared and a surplus of over \$3,000 placed in the reserve fund, which speaks well for the management of the institution.

SPRINGVILLE.

Didn't Know It Was Smallpox—Many People Exposed.

Special Correspondence.

Springville, Utah, Feb. 14.—Gib Sanford came here from Mercur last week with some eruptive disease which the physicians were unable to diagnose. His family of eleven have all been exposed to one of the friends who have visited the man since. Dr. Robertson and Dr. Dunn yesterday pronounced it a bad case of smallpox, and the people are indignant at the inability of the doctors to warn the people in time.

The board of health are making arrangements to send Sanford to the pest house.

WOODRUFF.

Going to the Big Horn Country—Reception to Elders.

Special Correspondence.

Woodruff, Rich County, Feb. 13.—We are having remarkable weather, warm days and the roads dry and dusty. The snow, however, in the mountains is quite deep.

GOING TO BIG HORN COUNTRY.

Byron Sessions of the Stake presidency is going to assist in the colonization of the Big Horn country. Brother Sessions and family will be greatly missed, as they were among the early settlers in this valley, and have passed through an experience that will assist them in this important labor. They have the well wishes of a host of friends throughout the valley.

RECEPTION TO ELDERS.

A reception was given Elders Peter Cornia and David Dixon on the evening of February 13, during the program of the Elders expressed themselves well pleased with their labors and the testimony of John Reed is improving.

John Lee has received a call to attend a missionary course in Salt Lake City. A farewell party was given Monday evening, the 12th inst.

Present purchase at East went to Owen on Saturday, the 10th inst., to attend the dedication of a new meeting house.

GREEN RIVER.

The R. G. W. Railroad Building New Bridge.

Special Correspondence.

Green River, Emery Co., Feb. 13.—The Rio Grande Western started on the new bridge across Green River yesterday.

The Green River Land & Irrigation company intends to push work on the canal and build up the colony. There are now eight parties here from Circleville, looking for homes. Some of them have bought land. D. S. Gillies has purchased a rice farm and has gone to work plowing and preparing for spring crops. Robert Salsbery and Joseph Moske have purchased a brick machine and have contracted to make a large amount of brick. William Fotheringham and T. E. Fullmer are said to have bargained for farms here and have started home to Circleville to move their families out.

CANT STAND COLD

Many children can't stand cold weather. The sharp winds pierce them, and the keen air hurts them. They have cold after cold, lose flesh, and spring-time finds them thin and delicate.

Scott's Emulsion will make such boys and girls hearty and strong. The body is better nourished, and they are better protected. The blood becomes richer, and that makes them warmer.
