EASTERN.

NEW ORLEANS.—The British ship *John Parker*, hence on Friday for Liverpool with 3,513 bales of cotton, 6000 staves and 2,000 sacks of oil cake, took fire this morning. She was scuttled and sunk on the flats in the South West Pass.

ST. LOUIS. — Early yesterday morning a fire was discovered in the office of U. S. Collector, Internal Revenue Office, Kansas City. At the same time the Union German Savings Bank, occupying the front part of the same building, was found to be on fire. Both fires were speedily extinguished. In the Collector's office, books, papers, and from $5,000 to $50,000 worth of stamps were so badly damaged as to be valueless. In the bank the vault was found open and robbed, and the papers in the vault were burning. About $7,000 was taken from the bank. The vault lock was a combination and had been unlocked, not broken open. It is expected that some startling revelations will be made in connection with these fires.

FRANKLIN, PA.—Intense excitement was caused here this morning by the suicide of Thos. F. Anderson, cashier of the Trambertson bank. He opened the bank as usual at 9 o'clock, and transacted business with several customers. He was afterwards noticed running in and out of the bank in a hurried and excited manner and then hurrying towards his residence. Smoke was then seen issuing from the bank, which was entered by several persons, supposing it to be on fire. They discovered a great heap of bank notes and papers rapidly being consumed. The fire was extinguished and the notes, bonds, &c., were drawn out, some in a charred condition, while others were burned to ashes. Meanwhile Anderson, reaching his house, entered at the back door, handed his wife a letter, and drawing a pistol shot himself through the head, dying soon after. He left several letters, the contents of which are not yet public. A note left by him on the counter states that he had destroyed all special deposits and bills receivable. Thirty-eight thousand dollars in bonds, belonging to Lamberton, were burned. The total amount absolutely destroyed cannot be as yet ascertained. The cause of Andersons conduct is not positively known, but is believed to be his irregularities in conducting the business of the bank. It is known that he was carrying large over drafts for the accommodation of personal friends, unauthorized by the bank. The bank was soon to change hands and he was requested to have the accounts and books in complete order at a certain date, which would expose these irregularities. The bank loses heavily.

WESTERN.

SAN FRANCISCO, 14.—One of the freight trains on the Central Pacific jumped the track near San Leandro to-day, and detained the east bound train two hours.

The jury which tried Margaret Ryan for assault with deadly weapons, upon Jeremy King, found her guilty of a simple assault.

CARSON, Nev., 14.—General Van Bokklen to-day, with sixty men from Virginia, acting under the orders of Governor Bradley, and backed by a small field piece, demanded and obtained possession of the State prison, which it was claimed was illegally held by Frank Denver, the late warden.

SAN FRANCISCO, 14.—The body of the man found in the bay this morning has been identified as that of Herman Beck, from St. Louis.

WATSONVILLE, 14.—At Carnero's ranch, Monterey county, last night, Mrs. Sarah Nicholson was shot in the back and instantly killed by Matthew Taprey. The killing grew out of a dispute about the occupation of a house. After shooting the lady he attempted to shoot a gentleman who went to her assistance. Taprey is under arrest.

SAN LEANDRO, 14.—Two freight trains collided near here this a.m.; no one hurt.

YREKA, 14.—The regular courier arrived from the head quarters of the army to-day. Nothing further has transpired with reference to a settlement with the Modocs, nothing further had been heard from Captain Jack's band, nor have the army made any forward movement, they are waiting orders from Washington.

VALLEJO, 13. — This afternoon James D. Page shot his wife through the neck and then blew his own brains out with a pistol.

March 14th.—Mrs. Page is still alive. The ball has not been extracted from her neck, and her situation is critical.
