MURRY SECURES WANDAMERE TRACK

Twenty Days of Fine Racing Promised by Him.

BIG MEET BEGINS IN MAY.

Horseman Proposes to Practically Rebuild the Plant—New Stands, Stables and Paddock.

Local lovers of the "sport of kings," who remember the excellent racing card given last fall at the state fair grounds track by W. M. Murray, the well known horseman, will be glad to learn that he has secured a lease on the fast Wandamere track and will give a 20-day meet beginning May 1, and a 22-day meet during the fall. Mr. Murray is representing the Salt Lake Racing association and predicts that some of the best cards ever seen here will be put on at the beautiful track.

The fact that a meet will start at the fair grounds on May 22 shows that Salt Lake is rapidly becoming a racing center and the two meetings are of importance to horsemen here and elsewhere.

Last fall Murray conducted a 28-day meet and gave lovers of the game a taste of real racing. It was expected he would get the track this year but was disappointed. He then turned his attention to the Wandamere track, and says it will be the scene of some first class racing. Murray ran a successful 60-day meet at El Paso and says he will have many of the finest race horses in the west here for both meets.

He will ask for bids at once for the erection of grandstands, fences, stables and paddocks and when he gets through with the preliminary work the plant will be practically rebuilt. In regards to track as one of the best in the part of the country. The surface is good and has no alkali which injures the horses feet.

In a day or two Mr. Murphy will leave for the coast and will book horses from Oakland and Los Angeles stables and have them shipped here after the California meet closes. He will announce his officials in a short time.

REYNOLDS AND BRADFORD TELEGRAPH ENTRIES

Last night Manager O'Mara of the Auditorium rink received a telegram from J. M. Reynolds and Wally Bradford, the crack Butte team, that defeated, with the help of the judges, Schatz and Hardy, in the recent six-day race, stating they would be here for the six-day race next week. At first the Butte skaters indicated they would not be down for the local grind but O'Mara made them a special offer as he wants to see for himself whether or not the team is capable of defeating the Salt Lakers. O'Mara has also received entries from Denver, Cheyenne and Logan teams. The Butte team will leave for Salt Lake on Friday, and be here in plenty of time for the opening 30 minutes rolling Monday night.

There is a great contrast between Schatz and Reynolds. The latter is 49 years of age, while Schatz is only 15 years old.

VALUABLE DOG DEAD.

Chicago, March 31.—Gloom has been cast over the bench show of the Chicago Kennel club by the announcement that the noted French dog Marsaeiel Nev II, owned by Lincoln Bartlett of Chicago, and valued by its owner at $10,000, is dead.

Mr. Bartlett says that the animal had been playing with children, who had thrown corks for it to scamper after. The dog swallowed several of the corks and died of acute peritonitis in spite of the efforts of three doctors to save its life.

It is understood that six teams representing the colleges of the east, middle west and the Pacific coast, will take part in the series.

SAILOR SHARKEY WOULD FIGHT JACK JOHNSON

Boston, March 30.—Tom Sharkey of New York announced publicly from the ring of the Armory Athletic association tonight that if Jeffries did not challenge Jack Johnson within three months he would issue a challenge himself.

"I have not had a glove on for five years," stated Sharkey, "but I am not an old man and I don't think much of the heavyweights of today. Give me three months and I could get into condition to give any of them a go for their money."

HENDERSON TO CLEVELAND SAYS THE COMMISSION

Cincinnati, March 30.—The National Baseball association today made this announcement:

"Attention is called to the published claim that the Cleveland club has secured the services of Player J. B. Henderson of the outlaw Stockton club, and that in return, they transferred two players to the Portland club, Coast league, for his release. The Boston club claims that title of this player is vested in it.

"An agreement has been filed with the commission by the Cleveland club, whereby they release Players Graney and Breen to the Portland club, the consideration being that the Cleveland club shall have the pick of any player of the Portland club during the season of 1909, and furthermore, that in the event that Pitcher Henderson is reinstated, that they shall have an option on this player's release.

"The evidence shows that the Boston National league negotiated for the services of this player with the Portland club in 1907, and that no was carried on the Boston club's reservation list for two years. It appears, however, that the negotiations for the release of the player were never closed.

"It further appears that the Boston club was to secure the services of this player for a tryout, and that they were to give in return some consideration and the choice of some players in the year following the release of the player to the Boston club. Had an agreement of this kind been presented to the commission, it would have been rejected, because all minor league players are subject to draft unless they are sold previous to Aug. 20 of each year.

"The finding of the chairman of the commission is that the Boston National League club never secured title to this player, and their claim for his services are therefore rejected. It is evident that the Portland club takes the same view of this case, or they would not have entered into the agreement with the Cleveland club. This latter agreement being in proper form will be approved by the commission and the player awarded to the Cleveland American League club, when the ineligibility against the player has been removed by the National association."

RACE HORSE MEN OFF FOR MEXICO

Los Angeles, March 31.—A delegation of California race horse magnates are on the way to the City of Mexico. Only 18 days remaining in which racing can be continued at Arcadia, and the party is going to see how the situation is south of the Mexican line.

The purpose is to arrange for the opening of a track at Tia Juana. The racing men claim to have had assurances from the officials of Lower California that it will be "all right," but as they do not want to take any chances on "waves of reform," they are bound straight for headquarters.

Tom Williams is not with the party, but will be the dominant spirit of it, it is said.

What is to become of Arcadia after the racing ends is a much mooted question.

ON THE RACE TRACK.

At Oakland.

Oakland, Cal., March 30.—In one of the most exciting finishes of the season, Jacobite, the favorite, gained a nose victory over Booger Red in the Cameron handicap at Emeryville today. Madman was a close third. Scoville got Booger Red away in front and he and Madman made most of the running. In the last furlong Jacobite closed fast and caught Booger Red a few yards from the wire.

Galveston and Rosslare were two heavily played outsiders to win.

At Los Angeles.

Los Angeles, March 30.—Harrigan, from the stable of H. R. Brandt, won the Commando handicap this afternoon at Santa Anita, making it four successive victories in as many weeks and stamping him as one of the most consistent horses racing here. Harrigan and Rialto alternated as pace-makers for the first furlong. Then the former gradually drew away, but had to be hard ridden to win by a head from Rialto. Elizabeth Harwood, lightweighed and an outsider in the betting, was an easy third. The track had dried out over night and was fast when the first race was called.

First race, selling, five and a half furlongs—La Reine Hingoo, 105, Metlen, 12 to 5, won; Galinda, 110 J. Howard, 11 to 5, second; Banrose, 100, Kain, 65 to 1, third. Time—1:07. Irene Bannister, Echopus, Dexterine, Early Day, Emmark, Marchesa, Bello Thorne, Gation Lass and Daisy Thorpe also ran.

CHARLES LAMB AND HIS PIPE.

Greatest among the votaries of the pipe was Charles Lamb. He smoked furiously, incessantly—smoked with an air that commanded the respect of his friends. Dr. Parr, who watched him with amazement, ventured to ask how it was he had acquired such a marvelous power. "I toiled after it, sir," replied Lamb, "as some men toil after virtue." He was always on the point of giving up tobacco, but he never quite succeeded. Even as late as 1827, when he had long since professed to have abandoned the habit, he said that, though an extinct volcano, he still emitted occasional puffs.
