**Important to Second and Third Class**

Passengers on the New

York City.

It is well known that the Erie

Railway Company has for a number

of years provided a commodious

passenger coach, fitted especially

for the transfer of its emigrant

passengers and baggage direct from

Castle Garden to their depot, from

which trains depart for the West—

thus effectually protecting those

"assigned to their care" from un-

authorized persons or outside in-

fluences, while passing through New

York.

To afford similar protection to

second and third class passengers

from the West, going to New York,

or passing through New York en

route to Europe, they have now

arranged for a **SPECIAL OMNI-**

**BUS TRANSFER**, starting from

under cover of their Jersey City

Depot, (the arriving place of

through trains from the West), to

convey passengers and their bag-

gage direct to the Company's Hotel

House, or wherever they may be

assigned, thus affording them

absolute protection, and free-

dom from contact with the "char-

acters" who seek to prey upon stran-

gers arriving in a great city. The

Erie Company will perform this service

with its own omnibuses, in charge

of trustworthy servants, at cost price,

for transfer of single passengers, fam-

ilies or parties, and their baggage.

A transfer agent of the Company

boards each incoming train from

the West an hour or more before

its arrival in Jersey City, and ten-

derly to passengers the facilities

thus afforded.
