PER WISTERN UNION TELEGRAPH LINE. Last Night's Dispatches.

Explanation of that French Letter About the Centennial letter in a certain French journal concerning the Centennial Exhibi

EASTERN.

"Legation of United States, Paris, Oct. 28, 1876. My dear Duke de Cazes:

"I have read with amazement the extraordinary letter published in the Figaro of yesterday over the the general commissioner of France at the Centennial Exposition. Were this a letter of a private individual I should deem it utterly unhigh functionary of the French forgetful of my duty and all obligaions I owe to my government and

even its women, as the most monstrous calumnies. The substance ceding the election. of the letter has not only been already telegraphed to the United payers in the Territory. States, where it will excite the most profound indignation among all classes, but I shall deem it my their citizenship for cau-efurther duty to call The attention of Mr. Fish to the outrageous and i landerous imputations on the American people by the French

to the people of the United States,

"E. B. Washingan." The following is the Dake Da

principles of true liberty.

In contradistinction to these "lib-erals," there is a class of people in did I not hasten to denounce to you the charges contained in the letter touching the Exposition and against my country, its magistracy, and constant residents in the Territory so-called "liberal party" in their

tonce, overhearing and arrogant as The following persons are citi- if they were "Mormons." They say, unless they have forfeited have used every means to coerce them to join their ranks, but many of this class, having large interests All persons born in the United of this class, having large interests here, have always ignored their a priver, fuditus not taxed violence and been opposed to the transfer of the government of the Territory into their hands. These states, whose fathers were citizens at the time of the birth of the childer, unless the fathers never resided in the United States.

people came here to transact business, to make money, not to wage war upon the pioneers; and they have been willing to live and let

live. Their independence is most commendable. Our Territory has grown to be the most populous, prosperous and important one in the republic. It has, in fact, outgrown all the conditions of territorial existence, and posssses in a larger degree than two, if not three, of the States, all

the elements necessary for sovereignty. Every citizen of Utah can speak with pleasure of her light taxes, her freedom from every kind of public debt, her low percentage of illiteracy, her cultivated farms and fruitful orchards, her growing Tuesday, November 7th, 1876, is manufactures, her railroads and the day fixed by law for the qualified voters of this Territory to exagement of the efficers heretofore faction. As I had hoped, the letter published under the signature of Du Sommerard is apocryphal. That functionary disavowed its informal terms, as

is connected with, and which seems to me an answer such as we could desire to the calumny. I am pleasted to think, therefore, my dear minister, that this categorical declaration closes this regretful incident. No doubt it will seem to you, as to me, ended, and it will have had for its principal result, to fur-
