A FIRM UNDERPINNING.

"Monsignor Capel says that marriage is the very first foundation stone of civilization. Utah must have a vary firm underpinning then.

We clip the above from the Omaha Herald. The preacher and protection. There are divisions and the union of individuals and a com- each. There are modified protecmon interest in communities. Families are connected with families and relationships are created in addition to those of blood and kindred. All in the main the two great political that monogamous marriage does in parties occupy the position we have this direction in degree, plural mar-
