"The dogs of America seem to be very unappreciative of goed music, and to have an extremely unculti-vated ear. My friend, Mr. Dun-bar, who frequently serenades the residents of the 20th Ward, with Johnson are known to the general public for their courtesy, and thor-ough efficiency as salesmen, and they invite all old friends, and they invite all old friends, and they invite all old friends, and promise to make it worth while on the part of new ones, to visit and partonize the department in which the David they are now fished Do not the part of new ones, to visit and partonize the department of Z. C. M. I.IS NOW OPEN. WILLS.—I am prepared to make of the location and the promise void will find on all through the or all find on all through the origin the tervery business man and men of families will see the promise void any of the Through Ticket Of.

The writer of the foregoing appears to overlook the phrenological supposition that some caninical craniums show a marked protubertrunk, and once a week examine ance in the region of the bump of them and kill all the worms. In a imitation, which may possibly ac-

them and kill all the worms. In a large orchard the easiest and most expeditious way is to attach a clothes-wringer to a wheelbarrow, take the rags down, run them through the wringer and replace them in the trees again. In taking the rags from the trees be careful to see that none of the worms drop off or remain sticking to the bark of the trees.

"About five years ago I had an SIXTEEN PAGES AND EIGHTY orchard that was so infested with the moth that I got very few per-COLUMNS OF READING.

CHAMBER'S ENCYCLOPEDIA. -Messrs. J. B. Lippincott & Co., of Philadelphia, announce that, by a recent purchase, they have become the sole proprietors of the American Revised Edition of "Chambers's Encyclopedia," and are thereby enabled to offer the work at much lower rates than hitherto. In the course of its recent thorough revision, the American edition was edited with the special view of supplying the wants of American readers. It also possesses a special attraction in containing a series of over seventy-five full-page engravings not contained in any other edition.

Kinsey, opposite Walker House, re-duced to 50cts. per gallon. to that structure, and the damage was therefore inconsiderable.

ONE-THIRD ACTUALLY SAVED. -Economical housekeepers should know that Dr. Price's Cream Bakthose powders which weigh heavy fellow are made so by ponderous adulter- sneaking around his premises, ants. As baking powders are used by measure, teaspoonfuls, and not by weight, the heavier ones being induced him to purchase a double-less effective and more expensive. barrelled shot-gun, with which to Dr. Price's cans are the same size, hold the same number of teaspoonfuls as others, and as two teaspoonfuls are only needed when three of the others are required, it will be perceived that there is in its use an actual saving of one-third : that two cans of Dr. Price's go as far as INPORTANT TO THE TRAVES.
