

FIFTY-FIRST YEAR

CLOSE BY THE
COMPTROLLER.Such the Notice on Doors of the
German National Bank.

OF NEWPORT, KENTUCKY.

Statement of Resources and Liabilities
Criminal Proceedings Referred
to U. S. Dist. Atty. Bill.Cincinnati, O., Nov. 18.—This bank
is closed by order of the comptroller
of the currency."O. P. TUCKER,
"National Bank Examiner."

The above notice appeared on the
doors of the state building of the
German National Bank of Newport,
Ky., prior to the time for opening to-
day. The salient facts of the cause of
the notice had been known since Sun-
day morning and therefore there were
none of the usual scenes accompanying
a run on the bank by depositors. The
allged defalcation of Assistant Cash-
ier Frank M. Brown, Treasurer, amount-
ing to \$200,000 was a fact so over-
whelming that no depositor was foolish
enough to suppose that any good could
be accomplished by attempting to get
money from the bank today.

National Bank Examiner, O. P. Tuck-
er, who is in charge, in an interview
today said the alleged defalcation was
not discovered by him until 10 o'clock
on Saturday night, at which time he
and his assistants had been unable to
bank's own experts had been unable to
find anything wrong until that time.
The discovery was made in a compari-
son of Brown's individual ledger with
the cashier's daily checkbook. Here,
he said, it was found that Brown had
been forcing balances from day to day
until the total of \$192,000 had been
withdrawn from the funds of the bank.
The examiner further said the matter
of criminal proceedings had been re-
ferred to United States District Attor-
ney Hill of Louisville, who would cause
a warrant for Brown's arrest to be is-
sued. The examiner said that Brown
was absent. The only bond which
Brown had given was that of the
assistant cashier, who is a well known
man, and president of the Consoli-
dated Boat Store company. This bond
is an open one, conditioned on the
fact that should Brown fail to appear
to meet his obligation not more than
\$20,000 can be realized from his prop-
erty. The bank stock, Examiner Tucker
said, is of no value. A double liability
assessment must be made. Depositors
may receive a dividend as soon as the
comptroller of the currency has exam-
ined the books and even
Tucker said that the bank will be
notified of the amounts to their credit and they
will be required to make proof of their
claims. Examiner Tucker said that
Brown employed a force of clerks to
arrange the business of the bank, and
make every effort to collect all the
debts due the bank and in every way
discover the bank's exact condition, but
that time he would not make a
positive statement as to the extent of
the liabilities beyond that it now ap-
peared to be \$192,000.

The bank was the depository of nine
banking associations, and of the ad-
joining corporations of Bellevue, Day-
ton and other towns, as well as of
about 1,500 individuals and firms. There
are no indications of an accomplish-
ment of any one knowing about
Brown's departure or destination.

RESOURCES AND LIABILITIES.

Washington, Nov. 18.—Comptroller of
the Currency Dues has appointed Ol-
iver P. Tucker, national bank examiner,
temporary receiver of the German Na-
tional bank of Newport, Ky. Mr. Tuck-
er telegraphed to the comptroller that
he had taken charge of the bank and
discovered a defalcation amounting to
about \$192,000, and thereupon the com-
ptroller appointed him temporary re-
ceiver. The official here considers it
establishing that a defalcation amount-
ing to more than the reserve of the
bank could have remained undiscover-
ed for any length of time, but they
attempt to offer no explanation, as Mr.
Tucker had not yet furnished any de-
tails. The last examination of the bank
was made in May last. The following
is a statement of the condition of the
bank as shown by its report to the
comptroller of the currency under
date of September 5th:

THE CAZAR CONTINUES TO IMPROVE.

Livadia, Nov. 19.—The czar continues
to improve in health. The bulletin is-
sued by his physicians today says:
"The emperor passed a good day
yesterday. At 6 o'clock in the evening
his temperature was 101.2 and his pulse
72. His majesty passed a very good
night. This morning his condition is
excellent. His strength is well main-
tained. At 9 this morning his tem-
perature was 100.7; pulse 68."

THE FRIELAND DISABLED.

London, Nov. 19.—The Red Star line
steamer Frieland, Captain Nickels,
from New York, Nov. 7, for Southamp-
ton and Antwerp, passed Sicily today
disabled, in tow of the British steamer
Clowden, from Newport News, for
Rotterdam. The Frieland's rudder
was damaged.

HARRIS & CO., BROKERS, ASSIGN.

New York, Nov. 18.—Harris & Co.,
general brokers and commission men
at 52 Broadway, made an assignment
today for the benefit of their credi-
tors, who said the liabilities are esti-
mated at \$20,000 and the assets at
\$10,000 to \$15,000. Harris & Co. were
not members of the stock exchange or
the consolidated exchange. Their cus-
tomers were, for the most part, out-
of-town.

CAUSE OF THE
CHINESE TROUBLEVon Buelow Denies That It Was
the Kiau Chow Incident.

CRY OF SOCIAL DEMOCRATS.

They Say "It Is Quite True"—The
Chancellor Says Germany Re-
strained Herself.

Berlin, Nov. 19.—In the reichstag to-
day, on the occasion of the presenta-
tion of the supplementary credit for
China, Count von Buelow, the imperial
chancellor, emphatically denied the as-
sertion frequently made abroad that
the China imbroglio was traceable to
the German occupation of Kiau Chou.

This statement was greeted by the
socialist democrats with loud cries of
"It is quite true."

Count von Buelow expressed keen
regret that such a cry was heard in
the German parliament. The chan-
cellor further declared he did not wish
at present to say anything which
might be against the common inter-
ests of the powers in China but he
felt the need of putting himself in touch
with the nation. Germany, he ex-
plained, had adhered to the aims and
policy outlined in the circular to the
allied governments. The allegations
that the government had not foreseen
the Chinese crisis was true. But most
of the other nations likewise failed to
anticipate that the storm in the far
east would burst so violently so soon.

Reverting to the Kiau Chou allega-
tion, Count von Buelow recapitulated
the previous territorial acquisitions and
described the attitude of the other powers in
China, adding:

"We, with proverbial modesty, re-
strained ourselves longest of all the
powers, even until the massacre of our
missionaries in Shan Tung."

EMPEROR OF CHINA'S TELEGRAM.

The Reichsanzeiger, (official) pub-
lishes the text of a telegram of the em-
peror of China, dated November 17th,
in reply to Emperor William's telegram
of September 20th, in which the former
is requested to inflict severe punish-
ment on the authorities who were ac-
complices of the massacre of Baron
von Ketteler, the German minister, and
expresses the hope that friendly rela-
tions will soon be re-established. He
also declares that so soon as the peace
conditions are attained the desired point
will be a time for his return to
Peking.

ARRESTED FOR VIOLATING THE SABBATH.

New York, Nov. 19.—Rose Sartella
and Edward March, of the vaudeville
stage, arrested at the Grand Opera
house, Sunday night, for playing
violin, were held today (Monday)
for examination next Friday.

The arrest was on a complaint of the
secretary of the New York Sabbath ob-
servance league, who said the couple
were playing secular songs. The first
made in the anti-vice crusade against
Sunday night sacred concerts.

Senator Davis Tomewhat Better.

New York, Nov. 19.—Two of the pro-
vincial legislatures of Canada, which
are liberal in politics, have decided, ac-
cording to a Montreal dispatch to the
Tribune, to take advantage of the flow-
ing tide of liberalism and have ap-
pointed to the election in Quebec next
December 7. The liberal government has
a majority of thirty in the last house
(out of 74 members). This is like
the case in Ontario. The other election
will be held in Prince Edward Island,
where for a year past there has been
a virtual deadlock, the liberal govern-
ment being sustained in power on sev-
eral occasions by the casting vote of
the speaker. This election will be
closed with good chances for the con-
servatives to win.

Good Roads Convention.

Chicago, Nov. 18.—The convention of
the Interstate Good Roads association
opened today in Central Music hall,
with delegates from over thirty states
present. The purpose of the meeting
is to effect a national organization and
bring influence to bear upon Congress to
secure an appropriation for the im-
provement of highways commensurate
with the needs of the country. Com-
mittees will be appointed to work with
the thirty-eight state legislatures and also
to carry the matter direct to Congress.

and election judges, County Attorney
Putnam sent in a communication, call-
ing attention to a previous opinion ren-
dered upon the compensation of regis-
try agents, dated November 13, 1898, in which
it was held that the statutory provision
fixing eight hours as a day's work, had
no application to these particular of-
ficials, and that the \$3 per diem meant
for the county clerk, was \$3,000, as
against \$2,500 in 1890. This is an in-

He comes to meet President Krueger,
who is due to arrive soon on the Dutch

tion to restore peace in South Africa
will arrive today (Monday) from Paris.
Dr. Leyds said positively that Mr. Krueger
will land at Marseilles and not at
Naples or Genoa, as has been persist-
ently reported. On being asked about
Mr. Krueger's plans, Mr. Leyds replied:
"Really I know scarcely more than you
and am adding smilingly, 'Hereafter
you must apply to the president
himself for information when he gets
here. One man will represent the
Transvaal, and another the Orange Free
State, and the third the Cape Colony.'
He postponed discussing the Krueger
question until today (Monday). When
Dr. Leyds' carriage drove into the Hotel
Kempinski, although great crowds lined
the curbs, there was no demonstration.
Dr. Leyds went directly to his apart-

MRS. E. B. WELLS
RETURNS HOME.Had a Most Pleasant Visit to the
Women's Meeting.

WAS AT NATIONAL COUNCIL

Two Representatives from Utah—Mrs. Wells
McCune Goes East—Mrs. Wells Will
Not Go to the Philippines.

Mrs. Emmeline B. Wells returned on
Sunday evening from Minneapolis,
Minn., whither she had been to attend
the meeting of the National Council of
Women, held there during four days of
last week. Mrs. Wells is one of the
secretaries of the council and a member
of its executive board. She attended
the council in that capacity, and also
as a representative of the National Re-
lief Society from Utah. Mrs. Elizabeth
C. McCune of this city was also a dele-
gate to the convention, representing the
Young Ladies' associations of Utah.
Mrs. McCune went to New York after
the convention, to join her husband
there.

As was noted in the Associated Press
dispatches, Mrs. Wells was one of the
committee appointed to investigate the
condition of the women in the new ter-
ritories and possessions of the United States.
Her department is the Philippine islands,
Mrs. Wallace of Chicago being as-
signed to that territory, and Mrs. Plake of
Minneapolis to Porto Rico and Cuba.
The work required will be to investi-
gate the situation of women in the is-
lands named, from all available sources,
by correspondence and by interviews
with those who have resided there.

The following response has been re-
ceived:

"Adjutant General, Washington, Novem-
ber 16.—Replying to your No. 72. Our
battery better than any other army
in the campaign. German bat-
tery just arrived, some features su-
perior to ours. Powder charge in case
fired with trigger like pistol. More
rapid firing is the result. Brake ar-
rangement also better. Calibre not
quite so large. Our battery highly
praised particularly so by General
Linevitch, who said he felt like taking
off his hat whenever he saw it. No
battery so effective as ours in attacks
on Peking."

CONSTABLE HADDOCK WINS.

Recovers Judgment Against the City
for the Sum of \$493.32.

The case of Ben R. Haddock, as con-
stable of the Third precinct, against
Salt Lake City reached the jury this
forenoon and shortly afterwards a ver-
dict for the plaintiff was returned for
\$493.32.

Mr. Haddock sued to recover from
the city the amount he today recovered
judgment for, alleged to be due him for
services rendered in the serving of pol-
ice summonses.

The city claimed to have made a con-
tract with the constable, agreeing to
pay him his fees only in cases where a
collection was had. Judge Cheney held
that the municipality and the plaintiff
had no right to make such a contract
and the case was submitted to the jury
with only a part of the defense being
admitted. The jury returned a verdict
for the plaintiff.

AMUSEMENTS.

The advance sale for the great con-
cert by the Grau Opera company in the
Tabernacle opened at Daynes music
store this morning. The bad condition
of the weather or some other cause
prevented the rush that had been
looked for, and while many of the choice
seats were taken, Mr. Kronberg, who
was in charge of the sale, said the de-
mand was not what had been expected.
It is St. Paul, Kansas City and other
places where the sale was commenced a
full month in advance of the event, he
said the receipts were frequently from
\$3,000 to \$5,000 on the first day. Salt Lake
will fall very far short of that. He could
not understand it, he said, how these dis-
cussions that they appear, the name of the
company alone, with such stars as Nor-
dica, Schuman Heink, Oliska, Plan-
ciani, Cremonini and the others billed
to appear here had been sufficient to
draw a public for the first time. He
continued from day to day, he said, and
he also announced that if the public
did not show by its application for seats
that the company was wanted, it was
likely to be cut down to two nights,
Thursday and Friday, and the advance
inquiries, he says, indicate that there
are not enough seats in the house to
accommodate the people who will wish
to see the performance. In this emer-
gency he has decided to limit every ap-
plicant to four seats, which may be taken
for one performance or two for each.

accommodate the people who will wish

gency he has decided to limit every ap-
