### PIETHOOD MEETING.

A meeting of the Piethood of the Salt Lake Stake of Zion will be held in the Fourteenth Ward Assembly Rooms, at 11 a.m. on Saturday, February 1st, 1879.  
A general attendance of the Piethood of the Stake is requested.

ANGUS M. CANNON,  
DAVID O. CALDER,  
JOSEPH E. TAYLOR,  
Presidency of the Stake.

**Twelfth Ward Parties.**—In another column appears a card notifying those holding tickets to the series of parties in the 12th Ward School house, that another ball will be given on Friday night. See the notice for full particulars.

**Lecture.**—To-morrow evening, Thursday, the 30th, Elder J. H. Ward will deliver a lecture in the Second Ward School House, under the auspices of the Y. M. M. I. Association of that Ward. The lecture, to which the public are cordially invited, will begin at half-past six o'clock.

**The Emigration.**—We are informed by Pres. Albert Carrington, of the P. E. Fund company, that it is expected that the first company of church emigrants this season, will leave Liverpool either on the 19th or 21st of April. Those who desire assisting their friends to emigrate should govern themselves accordingly.

**Funeral.**—The funeral services of Sister Tibbs were conducted yesterday morning at the 15th Ward Assembly Rooms. Consoling and instructive remarks were made by Elders D. M. Duncan, C. W. Penrose and Elias Morris, after which the body was carried to the cemetery, followed by a large number of friends.

**Artistic.**—We have just received from the popular photographer, C. K. Savage, Esq., with his compliments, a large and beautifully framed picture of President John Taylor. The portrait is an exceedingly natural one, the noble, majestic features of the original being faithfully reproduced. We will take pleasure in adorning our sanctum with the picture, and take this opportunity of thanking our artistic friend, and congratulating him upon the quality of his latest and best production from his well-known gallery.

**Theatre.**—Next Friday evening, the excellent character artists and comedians, Messrs. Cogill and Cooper, will appear in a new play, "First and Last," which has been written expressly for them by Mr. John T. Sears. These gentlemen come highly recommended, and we do not doubt that good performances will be given. They appear for two nights only, and in a grand matinee on Saturday afternoon. The prices of admission are as usual, 25 cents extra being charged for reserved seats. The box office will be opened to-morrow morning at 10 o'clock, for the sale of tickets.

**Twenty-First Ward.**—The entertainment given last evening in the 21st Ward Meeting-house by the Theatrical Association, was witnessed and appreciated by a large audience, the seats as well as the aisle being crowded with people. The performers acquitted themselves with much credit and were frequently applauded, and altogether the performance was a complete success. With a slight change of programme, another entertainment will be given in about two weeks, to raise means for the purchase of an organ.

**The Supreme Court.**—Promulgation of the Supreme Court of the Territory, on Tuesday, Chief Justice Schaffer and Associate Justices Emerson and Borenson on the bench.

The People, etc., respondents, vs. Geo. Gough, appellant. The motion made to dismiss the appeal in this case having been argued and submitted on Monday, was yesterday decided and the appeal dismissed.

Erwin Davis, respondent, vs. Fingstall Silver Mining Company of Utah (limited) et al., appellants. The arguments in the case are still in progress.

Court adjourned till this morning at 9:30 o'clock.

**City Council.**—Proceedings at the City Council on Tuesday evening, Jan. 28th, 1879, Mayor Little presiding.  
A petition was received from Robert Burns, asking that his liquor license be transferred to Mr. Leivberg, as he is going out of the business. Prayer granted.  
A petition was received from Henry Amott, asking that he be paid by him to the city for a lot now in the military reservation, be refunded. Petition received and the amount ordered refunded.  
An appropriation of \$2,000 was made to the city as a contingent fund, to be applied on road and street work.

The sum of \$500 was appropriated to the artesian well contingent fund.

The bill of James W. Fox, Jr., for services rendered as city surveyor, was presented and referred to the committee on claims.

Consideration of the bill for an ordinance regulating the distribution of water flowing into the city, was then resumed.  
The Council adjourned till next Tuesday evening, at 6:30 o'clock.

**Lectures Last Night.**—Elder H. W. Nalebit's lecture last night in the 19th Ward Literary Institute was well attended, particularly by the younger members of the Ward, who paid strict attention to the lecturer's eloquent description of affairs in "Old England." After having given an interesting account of some of the leading industries of Great Britain, and their influence upon the people during the prosperous times, when competition from other nations was not felt by the manufacturers, the lecturer gave a vivid description of the condition of the people at the present time, when work is scarce, wages low, and the necessities of life at high figures. He also gave an account of the numerous strikes of later years, and the increased misery they have brought upon the working classes. Showing how they, to a great extent, had caused trade to turn away from their own shores and given work to foreign manufacturers, who now, aided by the free trade of England, are placing their articles side by side with the home made goods all over England. As a result, poverty and demoralization are increasing to an alarming extent, and the prospects are indeed very gloomy. The lecturer reminded his hearers of the fact that there are from four thousand to five thousand of their brethren and sisters in that country, more or less suffering for the want of the blessings that are enjoyed by the people of Utah, anxiously waiting for deliverance; and he enjoined upon all to give a helping hand, particularly those who were under obligations to the Perpetual Emigration Fund, or had given promises of relief and not yet redeemed those promises.

Last evening Mr. C. K. Savage delivered his lecture entitled the "Mysteries of Africa," under the auspices of the 20th Ward Institute. The audience was large and appreciative. The gentleman has a happy delivery, and interspersed his remarks with many amusing anecdotes, that put the audience in the best of humor. He dwelt at some length on the travels of Mungo Park, Clapperton, Cameron, Speke, Burton and Baker, but dwelt more particularly upon those of Livingstone and Stanley. He related in a graphic manner the obstacles that in Africa, surround the path of an explorer; the hostility of barbarous negroes, the frequency of disease, etc., that tend to throw gloom and mystery over all. Also the evils of the slave trade that has been for so long the curse of the African tribes. The manners and customs of the natives were portrayed in an instructive as well as amusing description and could not fail to deeply impress the minds of his hearers.

**Grouse Creek.**—We have received a letter from Brother Philip Fiskett of Grouse Creek, Box Elder County, from which we learn that, although out of the way, and perhaps not widely known, the people are getting along very well in their business, and considerable improvements are about to be made. It is expected that a grain mill will shortly be in operation, and this will be a great convenience to the people. A school and judicial district are organized, and a day school is in regular session with an attendance of thirty-three scholars. There is yet no branch organization of the Church there, consequently no weekly meetings are held. Since the first settlement of the valley, two years ago, nineteen children have been born, and what is a great blessing, the people, adults and children, almost universally have enjoyed good health.

**Large Snowslide.**—The following special has just been received per Deseret Telegraph line:

ALTA, Jan. 29, 1879, 12:30 p.m.

An immense snowslide from the three sides of the mountains surrounding Lake Flora, near the divide between American Fork and Little Cottonwood, occurred last evening. The snow, rocks and trees from all sides of the mountains were carried into the lake in great quantities, and with such force as to almost entirely displace the water in it. For some time the lower part of our town was thought to be in great danger of being overwhelmed. Fritz Meier, Fritz Rettich and Louis Perret, while near the lake, were caught by one edge of the slide and carried quite a distance, completely burying Rettich and Perret, and partially burying Meier. Perret and Rettich would certainly have been smothered but for the exertions of Meier.

They all say this was one of the largest slides ever known in this locality of avalanches.

**A Tribute.**—Thomas Porcher Sikes, aged 12 years and 8 months, whose death we noticed in last evening's News, was a little boy who has in company with Brother N. S. Larsen, the well-known book and picture agent, traveled in all parts of the country, and wherever he went he was a universal favorite, being unusually bright and talented for his years. He was familiarly known in the settlements by the name of "Little Tommy," and the news of his death will be received with regret by his many young friends.

**Personal.**—Mr. Jos. A. West, business manager of the Ogden Junction, came down on this morning's train and made a short call at our office.  
Mr. Thomas H. East, formerly assistant editor of the New York Herald, and late editor of the San Francisco News Letter, came to this city this morning. He is on his way to the terminus of the U. S. R. R.

### TOOELE STAKE CONFERENCE.

The Quarterly Conference of the Tooele Stake of Zion was held at Grantsville City, Saturday and Sunday, January 26th and 27th, 1879.

Saturday morning, 10 a.m.

On the stand: Of the council of the Twelve Apostles, C. W. Rich and J. F. Smith, Patriarch John Smith, the Presidency and Patriarch of the Stake, the bishops of the various wards and others. After singing and prayer, the meeting was addressed by Patriarch John Smith, followed by Bishop W. F. Moss, Edward Hunter, Jr., and J. C. Sharp, reporting the condition of their wards.

After which Bro. William Lee, president of the Indian mission, gave a report of the condition of the Indians under his charge. He introduced to the meeting an Indian familiarly known as Antelope Jack, who spoke a few minutes in his own language; his remarks were interrupted by Bro. Lee, which showed good feelings and a desire to do right.

In the afternoon, Bishop N. R. Tuttle reported the condition of the Tooele City Ward.  
President F. M. Lyman then presented the general authorities of the Church, and of the Tooele Stake, all of whom were unanimously sustained, and gave notice that the Relief Societies, Y. L. M. I. and Primary Associations throughout the Stake will hold a conference in Tooele City, on Saturday and Sunday, the 8th and 9th of February.

Bishop George W. Burridge, who had just arrived, reported the condition of the St. John's Ward; after which a most interesting discourse was delivered by Elder C. C. Rich. Notice of a meeting was given to convene at half-past 6 p.m., for the benefit of the Y. M. M. I. Association throughout the Stake.  
On Sunday morning the meeting house was filled to its utmost capacity, with quite a number in the vestry. After the preliminary exercises, Bishop N. R. Tuttle gave a report of the Lakeview Ward, followed with short addresses by James Ure, John Rowberry, Patriarch John Smith, Elder J. F. Smith occupied the rest of the time for the morning meeting, principally on the subject—How we know that this is the Kingdom of God.

2 p.m.  
After singing and prayer the sacrament was administered, the meeting was then addressed by Elder C. C. Rich and President F. M. Lyman, whose remarks were replete with wisdom and good counsel, of a kind not soon to be forgotten. President F. M. Lyman then announced the Conference would be adjourned until the last Saturday and Sunday in April.  
Patriarch John Smith pronounced the benediction. This closed one of the best and most interesting Conferences ever held in Tooele County.

At the close of the meeting the brethren drove to Tooele City, and attended meeting there at half-past 6 p.m., when Elders C. C. Rich, and J. F. Smith again addressed a large congregation.

Geo. Atkins, Clerk.

### IN MEMORIAM.

The late "Aunt" Rhoda Richards, daughter of Joseph and Rhoda Howe Richards, was born on the 8th of August, 1784, in Hopkinton, Middlesex County, Massachusetts. She was the oldest sister of the late President Willard, and Elders Phineas and Levi Richards; and, with them, at an early date embraced the gospel and gathered with the Church, with which she has remained since she was a child, and her devotion to the cause of the Saints has endured. In 1848, she emigrated, in company with her brother Willard, to this valley, which has since been her home. In the prime of her womanhood she was deprived, by death, of her first and only love to whom she was betrothed, and to whose memory she ever remained true. She retained the use of her faculties to an unusual degree; on the day she was taken with her last illness, she wrote to a friend in the south, informing her that, unassisted, she had walked across her room which she had not been able to do for more than a year.  
After a brief illness, she passed away peacefully, and without a struggle, to her final rest, on the 17th of Jan. 1879, thus closing a long and useful life of over 94 years, during which she had experienced much suffering. She was faithful to the end, having a bright hope of all blessings promised to the Saints of God.  
A large number of friends and kindred attended the funeral services, on the 21st inst., in the 20th Ward, at which appropriate remarks were made by Presidents Joseph Young, A. M. Cannon, Elder Lorenzo D. Young and Bishop John Sharp. Pres. Joseph Young having been to preach the gospel to his deceased cousin, gave some interesting reminiscences of the departed, and testified to her many virtues and faithfulities.

### DIED.

In American Fork, Utah County, Utah Territory, January 28, 1879, of inflammation of the bowels, JANNET MILLER.

Deceased was born October 8th, 1821, in Dunbar, Fife-shire, Scotland. Married February 19th, 1845, emigrated to Nauvoo April, 1846, with her father and family; married the same year the late John Miller, after enduring the troubles of Nauvoo, arrived in American Fork, Utah, in 1856, where her husband died in 1856, leaving her with six small children, whom she reared in the faith, and her dying instructions were to them to prove true to the principles of the everlasting gospel.  
Funeral services were held January 28th in the meeting house. A large concourse followed the remains to their last resting place.—(Cons.)
