Goldsmith & Co.

February 1930!

The month of February is usually considered the dullest of all months. So Goldsmith & Co. have prepared a special plan for the month of February, by grinding the "Camphor" for the use of storing away the remaining winter goods. We believe in grinding down the "Prices" and storing our goods into your home, gaining thereby a splendid business for the month of February. The past month has been a record for the jewelry business in our corner of the world's records. We attribute this glorious success to the "Camphor" plan. Let the good work continue! Never mind our loss! Our next attempt is bound to turn!

DULL FEBRUARY INTO LIVELY DECEMBER!
For Tempting Prices are sure to create a General Bustle in trade.

ODDS AND ENDS.

And what are Odds and Ends? Brand new goods, such as you find elsewhere for profit. True, only a part of our remaining of full line deprecate value. A Wholesale House, while at Retail even a single garment holds its par value.

Below We Furnish Full Particulars About how we intend to slaughter these goods. Read carefully, and if you find your size and quality call at once and carry off the prize.
