

NEWS OF THE WEST.

A New Start and Fire That Causes a Death.

WORK OF SELECTION AND WORK.

George Curtis, twenty-two years of age, was killed by a fire which broke out in the building in which he was working, at the corner of Main and Second streets, on Tuesday night last.

William and Freda Johnson, ten and twelve years of age, were run over and severely injured by a street car on Tuesday night last, at the corner of Main and Second streets. The car was driven by one of the regulars, and the children were crossing the street at the time.

A combination of various causes, which proved disastrous to a number of persons in the city, on Tuesday night last, was the fire which broke out in the building in which the children were killed. The fire was caused by a gas stove which had been left burning, and the children were standing near it at the time.

Arthur W. Smith, a young man, was killed by a fire which broke out in the building in which he was working, at the corner of Main and Second streets, on Tuesday night last.

Professor John Morrison, a man of letters, was killed by a fire which broke out in the building in which he was working, at the corner of Main and Second streets, on Tuesday night last.

James H. Smith, a man of letters, was killed by a fire which broke out in the building in which he was working, at the corner of Main and Second streets, on Tuesday night last.

A fire which broke out in the building in which the children were killed, on Tuesday night last, was caused by a gas stove which had been left burning. The fire was very large, and it was not until it had burned for some time that it was discovered.

Max Meyer, a second-hand clothing dealer, was killed by a fire which broke out in the building in which he was working, at the corner of Main and Second streets, on Tuesday night last.

When the fire broke out in the building in which the children were killed, on Tuesday night last, it was very large, and it was not until it had burned for some time that it was discovered. The fire was caused by a gas stove which had been left burning.

Ray L. Smith, a man of letters, was killed by a fire which broke out in the building in which he was working, at the corner of Main and Second streets, on Tuesday night last.

THE PRINCIPLES OF A SUPERSTITION.
Superstition is the belief in the power of a supernatural force to influence the course of events. It is a common belief in all ages and all countries.

CHARACTER OF A SUPERSTITION.
