LOCAL BRIEFS.

Recital Tomorrow—Prof. Babcock of the State University will give a recital tomorrow, at the University, of several selections from Tennyson's "Princess."

Civil Service Examination—There will be a civil service examination in this city April 18 for the position of assayer in the custom house at Chicago at \$2,000 per year.

Will Inspect Cadets—Gov. Cutler and staff will inspect the high school cadets Friday at 2:30 p. m. This will be the first inspection ever held by the executive of the state, and a very interesting affair is promised.

Baby Black Born—A son was born to Mrs. Ellis "Bud" Black yesterday and in consequence thereof Councilman T. R. Black of the Fifth precinct became a grandpa. Notwithstanding the momentous occasion "Grandpa" was able to attend the regular council meeting last night.

Bond Election—A bond election will be held in the Jordan school district on March 30 to vote on the issuance of bonds in the sum of \$50,000 for the purpose of constructing new school houses in the district. Granite school district will have a bond election for the same purpose on March 31.

Supplies for Soldiers—According to the Cheyenne papers, supplies are being made at Fort Russell to send a wagon train of supplies to Rawlins, Wyo., to meet the Twelfth and Nineteenth Light batteries which will leave Fort Douglas for Fort Russell on April 1 next, and a second train will be sent to Casper to meet Companies I and M of the Eleventh Infantry, marching from Fort Mackenzie to Fort Russell to take station.

Capt. Styer Here—Capt. H. D. Styer of the Thirteenth Infantry, commandant of cadets at the Agricultural college, is in town today, from Logan, Utah. He is in town today, from Logan, Utah. He is in town today, from Logan, Utah.

A Narrow Escape—Rosa May, the 3-year-old daughter of Joseph Leamaster of 242 South State street, in trying to avoid a team in the street yesterday afternoon, ran in front of a street car and was knocked down. The motor man put on the brakes, so that the child was running slowly when it hit the car and she sustained no further injuries than a bruised head and leg. The conductor carried Rosa to her home where Dr. Richards attended her.

Company Reorganized—The reorganization of the International Electric company was perfected last evening, as follows: President, Murray C. Godbe; vice president, J. J. Taylor; secretary and manager, C. B. Hawley; treasurer, W. S. McCormick; directors, L. Hanchett and Hyrum Silver. Among the stockholders are W. R. Read, L. S. Gates, J. P. Blum and E. E. Jenkins. The capital stock of the company will be \$50,000. Mr. Godbe is to be chief engineer.

Will Return Soon—At the See America league headquarters it is expected that Hon. Fisher Harris will complete his tour of America and return to take charge of the work in Salt Lake, in about 10 days. The last important stop on the big tour will be at Denver, where big mass meetings will be held to push the work along. "See Europe if you will, but see America first" is taken bodily as the title of another little book from the office of Mr. Hooper of the Rio Grande, and the subject matter in the book is a direct appeal to American patriotism in the premises.

Back From Seattle—William Burleigh has returned from Seattle where he went to see if local business conditions admitted of his removal there with his family. As he found rents there about double what they are here, and the general cost of living abnormally high, Mr. Burleigh concluded that Salt Lake is good enough for him, and he is again in the city. He is in the city, and he is in the city.

Clark Austin Home—Clark Wesley Austin of the Knutsford hotel returned yesterday from Los Angeles. He was fortunate enough to be able to come straight through without any hours' delay caused by the engine "dying" near Santa Barbara. The train ran slow through the country visited by the recent visitors, and the train was delayed by the engine "dying" near Santa Barbara. The train ran slow through the country visited by the recent visitors, and the train was delayed by the engine "dying" near Santa Barbara.

Couldn't Identify Him—The case of the State of Utah vs John Burke was quickly disposed of in the criminal division of the city court yesterday. Burke was arrested some time ago, charged with having entered cars belonging to the Rio Grande Western Railway company, and wrenching from place and carrying away certain brass railings and fixtures, to the value of \$160. The stuff was found in a heap and hammer marks at a First West street junk house. The proprietor of the place, Maurice Levy, identified Burke, in the presence of officers, as being the man who sold him the brass. Today in court, however, Levy said he could not swear as to whether the accused was the person in question, and the case was accordingly dismissed.
