San Francisco, March 31,-With the disadvantage of at least eight pounds against him, Abe Attel, champion feathervelght of America, tonight fought Battling Nelson of Chicago, to a fifteen-round draw. The fight was a most sepctacular one and there was not one round during which the great crowd nt was not on its feet shouting for man or the other. DEVINE TO JUDGE.

Salt Lake Man Chosen to Pick Prize Winners.

The members of the executive commit-tee arranging the data for the horse show April 20-21 have arranged for James De-vine of Salt Lake to be present as judge for the event.

April 20-21 have arranged for James De-vine of Sait Lake to be present as judge for the event. This assures every one of a fair chance as Mr. Devine is a thoroughly competent and fair judge, and is entirely a disinter-ested party. Mr. Devine was for some years the chief of the fire department of Sait Lake and in buying horses for the fire department he became acquainted with the work. He is regarded as one of the best fudges of horses in the country. Considerable interest is being manifest-ed in the coming event and indications point to the fact that there will be a good representation in every class. The fact that the notice is short will not give the horse owners a chance to especially fit their horses for the occasion. The mebers of the committee are anx-lous to have every one who has good stock to bring it in on that day. The fact that the horses are not in trim condition they say should not prevent them from entering as none of the horses will be especially fitted and every one will have an equal showing in this respect.-Mont-peller Examiner.

FEAR OF ANARCHISTS IN STOCK EXCHANGES

New York, April 1.-Following the receipt from police headquarters of a New York, April 1.—Following the receipt from police headquarters of a warning that evidence had been ob-tained that an anarchistic attack might be made upon the members of the exchange, the Consolidated Stock Exchange has decided to close its gal-leries. By Rex Beach - Author of "The Spoilers,"

This novel is in every way worthy of the author of the "Spollers." It is a buoyant, bracing story of the last frontier-Ataska-a story of primitive passions, of overpowering romance, of rough, pleturesque conditions. Above all, it is the story of a great hate and a great hove. Price \$1.50. DESERFT NEWS BOOK STORE, 6 Main st
