### Died:

In the 1st Ward, December 14th, 1867, JOHN TIPPLE KEDDINGTON, aged 87 years, 4 months and 27 days

He was born at Keddington, Norfolk, England, July 18th, 1780; he embraced the fullness of the gospel in Norwich, Norfolk, England, September 1847; emigrated to the Valleys in 1853; and was ordained a High Priest, April 3d, 1854, under the hands of President Heber C. Kimball, since then he has lived the life of a Saint.—[Com.]

At Gunnison, Sanpete county, January 3d, 1868, JANE BROWN, formerly of Manchester, England, aged 62 years, 7 months and 6 days.

She was one of the first who embraced the gospel in that City in November, 1838; emigrated to Utah in the first P. E. Fund company in 1852.—[Com.]

Mill. Star please copy.

### Special Notices.

President Heber C. Kimball understands that there are many in this city and in other places adjacent, who have wool to card. He has put up a stove and has the place where his two double carding machines work, in the 19th Ward, near Pugsley's mill and the Ward Meeting House, fitted up so that carding can be done occasionally when the weather moderates. He also has David Le Baron to work them—a man whom the people know to be honest, for he has been well known among them for many years. He can cheerfully recommend Br. Le Baron as an honorable man, who has always given satisfaction to his customers when running machines for him. People bringing wool can have it done when they bring it, if there is enough at the machines to run a day. Bring grease as usual, say one pound to seven.

If the people will not bring wool along to be carded, the place will be closed.

We must again refer to Mrs. White's success in her teaching music by "Robbin's American Method," as encouraging to all desirous of becoming acquainted with the art. One of her pupils in this city, a boy under 11 years of age, in three weeks tuition, without having any previous knowledge of music, was able to write his own accompaniments. All things considered, this is astonishing. It would be an excellent thing if some of our best musicians would obtain a knowledge of her system, especially those who play the piano and organ, for without doubt a better knowledge of music can be obtained by it in a few months, than by years according to the old system. The application of thorough Bass, or Harmony, to the Piano and Organ, is a point that should not be overlooked.

## PUBLIC NOTICE.

**YEAR 1868.**

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

## CASH!

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

## ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get hold of "Ten Dollars," a chance to buy Goods Cheap.

## COME AND TRY IT.

WHY DO WE OFFER THESE TERMS? Because we are like most of our neighbors, wanting money badly.
