Waverley Bicycles

For five years Waverley has stood the test of public opinion, with the result that they are voted the best that American genius and mechanical skill can make.

Perfect Bearings—can be found on no other wheel than the new '97 Waverley. A magnificent and expensive made wheel, well worth its price, \$100.

Still another Waverley—the popular model of last year—now \$60. It was not necessary to purchase new and expensive machinery to continue its manufacture.

BACK VOLUMES
DESERET WEEKLY.

The sixth volume of the DESERET WEEKLY in the present form is now bound. A limited number of copies of these six volumes can be obtained at the Deseret News Office, Salt Lake City, in bound form at \$2.00 per volume. It is the best history of current events to be obtained, and by far the cheapest, and the time is not far distant when they will be eagerly sought after by students of history, anxious to be informed of the stirring events which have transpired within the past three years—the most interesting period of the history of the Latter-day Saints. Every person who can afford it should secure these volumes while they are to be had for future reference, and especially should they be obtained for every Sunday School, Improvement Association and Ward Library. Apply early to secure your copy of getting small.

Gladness Comes
With a better understanding of the transient nature of the many pleasures which vanish before proper forethought—pleasures that are—rightly directed. There is conduct in the knowledge that we may form of pleasures are not due to any actual disease, but simply to a constitutional condition of the system, which is the pleasure family. It is the only remedy for all nervous diseases, and it is the only remedy for all nervous diseases, and it is the only remedy for all nervous diseases.
