Died in its Youth .- The "Barbed Wire Fence Bill," which was introduced into the Legislature by Hon. W. C. A.Smoot Jr., made a vigorous struggle for existence, but was killed in its yofth by fifteen assailants, and has gone to a premature grave. Requiescat in pace.

The obsequies were held in the Representatives', Hall on Weihesday evening, the principal mourners being, its father, W. C. A. Smoot, Jr., and fts friends, Messrs. A. R. Stewart, 'Wm. King, Joseph Kimball, Wm. Creer, A. H. Lund, D. C. McLaughlin and Chas. L. Anderson.

In the contest for their friend the fought manfully, persistently and with a determination to conquer, but were compelled to yield to the force of superior numbers, and retired from the conflict in good order.

Wire Fences.-There is reason for children by her, of providing for their regret that our Territorial law-makers support and the education, employcould not agree on the passage of some law for the protection of stock from injury by that fearful curse to cattle known as the barbed wire fence. Difficult as it is to obtain feacing material of a less dangerous nature in this region, it would have been inbetter for wire fencing finitely to have been imported never to this country than that so many valuable animals should have been ruined by it. It is questionable economy even for farmers to build wire fenecs without a board or pole to indicate its presence to animals, which are otherwise liable to run against and be injured by it, for their own animals are almost sure to suffer from it. and any man who builds such a fence shows a reckless disregard for his with them as a husband" was too inneighbor's interests if not for his own.

pleased to be able to state that active to the relationship previously existing measures are being taken to render between polygamists. It says that resuch financial assistance as may be lationship must cease." To this innecessary during the time of his suftering to Brother Wm. H. Harrison, the Edmunds law does no such young min who had his leg and arm thing. It says that polygbroken a few days since. A subscription has been started for him, and prohibiting those marriages. Section judging from the number who have al- 3 says that cohabitation must cease, ready subscribed, the young man must by prohibiting that cohabitation. But have been highly respected among his large circle of friends. If any feel like adding their mite for this purpose, they can do so with Brother Henry Earl, who can be found at Teasdel's shoe department, on Main Street.

The Sunday School of the 10th Ward, of which "Will" was a teacher, has appointed a committee to take charge of nursing him during the nights, and most of the male members of the Ward jury that "having more than one wife are volunteering their services to them for this purpose; thus again showing

the esteem in which the young man is held by his associates. While Brother Hirrison is still in a precarious condition, we feel issie in saying that he is getting along as well as can be expected, considering the severe nature of his injuries.

Convicts Pardoned. -- Governor Murray has exercised executive clem-ency in the matter of four of the con-

victs in the Penitentiary by granting | wife, held her out as such, and corthem full and complete pardons. The first was John Brimhall, who was trib uted to her support as such wife, and that during the same year he lived in the same with the women

women as wives." Judge Harkness It appears that the girl .Adams, whe It appears that the girl Adams, who is about 17 years of age, had been liv-ing in Shurtliff's house as "hired help." Mrs. Shurtliff had gone to Salt Lake on business connected with her restau-rant, and told the girl before leaving to get the funceford girl (who was shmi-inrly employed in a family residing on the same block) to stay with her at nights, while she (Mrs. S.) was away. During the day Shurtliff is reported to have intimated his purpose to one or two friends who warned him against attempting such an outrage. Anyhow insisted that the "outward appearances" of living together was an instruction such as would mislead the jury; it gave them a way to escape from the fact in issue. "And," said he, "we all know how apt a jury of this kind are to catch at an opportunity to. convict an Apostle of the Lord." Judge Powers (interrupting)-"We don't know how apt they are, as they have only had a chance at one."

Judge Harkness-"We may judge by the zeal they showed in that one case what they would do with the others." Another error of the court below was in refusing to charge the jury that "the
