Commissioner Stanford reported hav-ing visited the West Weber roads and had ordered certain work on them com-pletel; also reported a visit to the county infirmary where he found the patients in a good condition. County Recorder D. W. Ellis reported to the board that his chief deputy, Da-vid Mattson had resigned and asked that John A. Bluth be appointed to fill the vacancy. The board confirmed Mr. Bluth's appointment and fixed his sal-ary at \$72 per month. ary at \$72 per month.

WEBER STAKE ACADEMY NOTES

The Weber Stake academy opens for the current year's work on Monday, Sept. 8. Students who commence their sept. 8. Students who commerce their courses at the beginning of the school year, manifest in general greater in-terest in their studies and develop a warmer love for learning than those who, through neglect or carelessness, delay registration for two or three months. Students are therefore urged to enter on the date of opening. Some-times unavoidable circumstances prevent some from doing this. To all such a suggestion is given that they attend school on the 8th and 9th inst., register in their chosen courses, secure their text books, return to their and study at home. By doing this they will keep in touch with their classmate.

# CASTLE DALE.

DEATH OF HEBER C. PETTY

Was a Prominent Citizen of Emery - Little Feed on Ranges.

Castle Dale, Emery County, Aug. 30.— The rainfails the past few days were quite discriminating. On Saturday last Molen caught a fine shower, on Sunday Emery got a fair amount, and then the thing jumped to Price, where on Tues-day there was quite a rain and hall storm. But between these points the stuff has been dealt out most gingerly.

# A Sad Disappointment.

Ineffective liver medicine is a disap pointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure billiousness, torpid liver and prevents fever.
