A punctual attendance is earnestly requested, not only of the teachers and officers of each school, but those who feel interested in the rause of Sunday School education.

LEVI RICHARDS, Secretary Sunday School Union.

Brighton M. I. A .- On Sunday, Nov. 14, the members of the Brighton M. I. A. met as per previous appointment to elect officers for the present term, the following being the result: President, Cyrus H. tiold; 1st counselor, John Mills; 2nd counselor, Robert Hazen, Jr.; lady Secretary, Emma Gedge; gentleman Sec'y, Jane F. Quibell; Treasurer and Librarian, Geo. W. Quibell. On account of their number being small and widely scattered, it was impossible to organize the young men and young ladies in two separate associations. The town of Montalbert, in Savoy, has been nearly destroyed by fire. Thirty houses, besides public buildings, were burned.

Geo. Bliss, of N. Y, expresses himself highly satisfied with the work so far done in the Morey case, the later of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them work so far done in the Morey case, the later of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them work so far done in the Morey case, the later of the product of long, laborious, and successful chemical investigation, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them work so far done in the Morey case, the later of the product of long, laborious, and successful chemical investigation. Secretary, James S. Clayton; Asst. tions, but it has been the counsel of but it's by no means finished. their leaders to keep the rolls separate, also to keep a separate account of the means donated by the young ladies, hence a lady secretary and gentlemen secretary. Their time of meeting is Sunday at 11 a.m.

veined alabaster) was delivered in an by Brother W. S. Barton, of this city, who brought it from St. George. From the appearance of the rock of which this interesting specimen of Brother Romans's specimen of the rock of a specimen of the rock of th Brother Romney's manufacture is made, there could be many useful things, such as watch stands, paper things, such as watch stands, paper weights and other ornaments for the home market, got up on a large ty National Bank. scale. In England a big business is done in Derbyshire and other counties, by turning and carving the country rock into utilities of a variety of saleable things. The chemical constituents of this rock have not been determined by the Curator of been determined by the Curator of the Museum, as the heart is too prettily worked and ornamented to break up for analysis, but a very important industry could be started by the brethren at St. George, if this easily carved mineral is abundant titles warn them not to venture out

Priesthood Meeting.-The regular meeting of the priesthood of this Stake was held in the Assembly Hall, this forenoon, at H. Prest A. M. Cannon presiding. The meeting was opened by prayer by Elder Elias Morris. The roll call showed all the wards of the Stake represented by excepting the 12th, 14th and 20th city wards, and the Mill Creek, East Mill Creek, Granite, Draper, South Jordan and Brighton Wards. After the usual business of the meeting

depth of six inches of snow upon must exist in the Church of God, and of its necessity, as evidenced, not only in the fact that order is Heaven's first law, but also by the failures that result in any organization-financial, political, military, religious, or any other, where order pected to be in the Court room at 10 is not strictly observed. He spoke of the duties devolving upon the teachers of the various wards and Attention Firemen,-The regular other officers, and of the desirability Second Hand Furniture.

monthly meeting of Pioneer Engine of a system being inaugurated that Co. No. 1, will be held at Fireman's might enable them to better attend Hall on Monday, Dec. 6th, at 7.30 to their duties. For instance, that such as acted as Teachers be relieved of other responsibilities, that they might be more free to fulfil the duties of their calling in the priesthood. The same advice would apply in the case of others beside Teachers. The Prof. Hamill and his daughter, who speaker also strongly urged the officers of the wards to make prompt returns of the matters assigned to them in relation to the Jubilee remittances,

President Angus M. Cannon next arose, expressing himself as being happy to meet once more with his fund, back tithing, etc., and enjoined upon all the importance of attending strictly to these duties before the close of the year. In order to ascertain what action had been mee was in progress and was being taken in each ward, the roll was d5Dec witnessed by a good sized audience, called, each Bishop answering acas we went to press. Considering cordingly. It was decided to have ance was very good. Those who ing matters wind up within a week went had the pleasure of hearing or ten days. President Cannon con-Miss Hamill read, unhampered by tinued his remarks, urging upon the the serious cold which affected her members of the priesthood to revere their callings as servants of God and keep themselves aloof from the In St. George.-An interesting vices that prevail in their midst, who is at present in St. George with the power to rebuke evil, cast out close second-hand carriage, and one Sister E. R. Snow, to Sister E. B. disease, and exercise and enjoy to strong top buggy, at Wells, of this city, gives an account the fullest extent the blessed privi-

RESCUED FROM DEATH.

The following statement of Wm. J. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. Second page. Holiday fruits and He says: "In the fall of 1876 I was taken with a VIOLENT BLEEDING vere cough I soon began to lose my and shoes, hats, caps, clothing, etc OF THE LUNGS followed by a seappetite and flesh. I was so weak at Presents for Christmas and New one time that I could not leave my Years. Look at his "ad" and you bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of DR. WM. HALL'S HALSAM FOR THE LUNGS. I laughed at my friends, thinking that my case was incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and to-day I feel in better spirits than I have the past

three years. "I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be in duced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMP. TION CAN BE CURED. I have taken two bottles and can positively say that it has done more good than since my sickness. My cough has almost entirely disappeared and I
