LOCAL AND OTHER MATTERS.

Priesthood Meeting.

Bishops and others interested are reminded that the Monthly Meeting of the Priesthood of this Stake will be held in the Fourteenth Ward Assembly Rooms, on Saturday, June 1st, commencing at 11 o'clock a.m.

Restore It.—Part of a lady's gold earring was lost recently, between the 17th Ward and Main Street. The finder will confer a favor by leaving it at this Office, for the owner.

Traveling. — To-day, Patriarch John Smith left the city on a trip through the settlements of Summit and Morgan Counties. He will stop over at Kaysville to-morrow and Sunday, to attend the Conference of Davis County Stake.

Returned Home.—On Wednesday evening Hr. G. Henry Snell and wife, who have been on a trip to Europe, reached home. Mrs. Snell, whose health was very delicate when they left, has, we are pleased to be able to state, been completely restored.

For West Point.—Mr. Richard W. Young, son of the late Joseph A. Young, Esq., left on Wednesday for West Point, where he goes as cadet from Utah. He is a young gentleman of good education and excellent general ability. We wish him success.

Championship.—Yesterday about 2,500 people witnessed the first of the series of match games of base ball, for the championship of Utah, between the Deserets and Red Stockings. The latter gained an easy victory, the score being 11 to 3.

Pleasure Seeking. — St. Mark's school, with Principal and teachers, have been spending the day at Fuller's Hill Gardens. The ceremony of inaugurating the May Queen, with maids of honor, and the floral tributes of the children, was performed, and was quite interesting.

Serious Accident.—Yesterday, at Lake Point, while swinging, William Evans, painter, of the 12th Ward, accidentally struck his knee against a board. The cap of the joint snapped asunder, and the upper portion was drawn up on to the thigh, by the muscles to which it is attached. He was brought into the city and received surgical attendance from Drs. Anderson and Richards.

Painful Accident. — Henry W. Walkey writes from Moroni, Sanpete County, May 28th:

"A painful accident occurred here early last Saturday morning, to Frederick R. Moss, a young man in the employ of Mr. James Yergensen. He was in the act of firing a double-barrelled shot gun, when the left barrel burst, blowing away one finger and badly shattering the hand. Dr. H. Davis, of Manti, and Dr. H. C. Longmore, of Mount Pleasant, promptly attended to the case. The patient is progressing favorably."

An Out.—Yesterday Mr. Henry Dinwoodey gave his employees and their families an "out" to Spring Lake Pleasure Grounds, he supplying the means of transmission to and from and paying the admission charges to that pleasant place of resort. The party numbered over seventy and they had an excellent time, engaging in the various pastimes of the grounds, besides singing songs, choruses, &c.

Such exhibitions of good feeling on the part of the employer and the employed, tend to help render the operation of climbing the hill of life more pleasurable to all.

Preparing.—Brother R. F. Neslen is preparing against the breaking out of springs under his dwelling. He is having a stone wall built on the face of the bank behind the house and extending a short distance south on each side. Behind the wall is packed a large quantity of tar, and the ground walks around are faced with a thick coating of concrete

He thinks this means will shed off the water and cause it to flow around instead of directly under the house. Should this plan prove successful, others who are subject to having their cellars filled by Fall springs will probably do likewise.

Harrigan—Hart.—The Harrigan-Hart combination closed its engagement last evening with an entertainment in the Theatre, comprising the last act of "Old Lavender," a farce entitled "Sullivan's Christmas," and the second act of the "Doyle Brothers." The rendition of the old, broken down merchant, an educated, honest but drink-shattered outcast, showed Mr. Harrington something more than a good comedian, and proved him a dramatic artist as well as author.

The performances last night drew a large house and elicited the same amount of applause as greeted the company on previous occasions, and the orchestra again divided the honors with the players on the stage.

The engagement has been very successful, and the manager, Mr. W. H. Hanley, deserves credit for the spirited and able manner in which he has arranged the trip across the country, and the general business of his traveling companions. He expects to return with the same company in about eight weeks. They started on this afternoon's train en route for San Francisco.

The Train Robbery.—In the dispatches will be found an account of a train robbery, at Ferry Station, on the U. P. R. R., on Wednesday night. Elder B. Morris Young was on board the train. We learn from him that at the time the four masked robbers entered the sleeping car, all of the passengers but two men had retired to rest. One of these they shot at, the bullet passing through his coat sleeve and slightly grazing his arm. The other they struck a heavy blow upon the head with a revolver, cutting a gash and rendering him insensible. They also fired several shots into the roof of the car, evidently to frighten the passengers. They robbed four persons, getting in all $190 and two gold watches. One of the parties robbed was the porter, who, however, after being bereft of his money, $10, which was all he had, sprang to a bell rope, pulled it and the train was stopped. At this juncture the robbers jumped off and fled.

During the progress of the robbery a lady passenger, who asserted she had no money, was nearly strangled by one of the villains, who grasped her by the throat. By her protestations and determination she saved her money.

After the robbery the passengers on the cars made up a purse of $30 and presented it to the porter.

While the robbers were on the train some of the ladies set up a terrific screeching and screaming, and two went off in hysterics.

Missionary Returned.—Elder B. Morris Young returned last evening, from a mission to the States, feeling well in body and spirits. He left home August 2d, 1877, in company with Elder E. H. Pierce. They labored a few months in Nebraska and Iowa, and proceeded from thence to Pennsylvania, where they both labored until Elder Young's release. These two Elders baptized fifteen adult persons, most of whom never heard the gospel before. They re-baptized one, blessed four children and organized two branches. Up to the time that Elder Young left, they held seventy-three public meetings. The names of two more candidates for baptism were sent to them from Bradford County, where there is not an organized branch of the church.

Brother Pierce purposes visiting that place again and baptizing the parties making application for that ordinance. We understand that he will also be released to return home as soon as other Elders are sent into that field. The labors of these two young brethren, which as will be observed, have been quite successful, were principally confined to Bradford County, Pennsylvania. They met with a number of people who declared their intention of coming to Utah and here joining the Church.

The New Tabernacle.—The New Tabernacle in course of erection will, when finished, be one of the finest structures in Utah. It is sufficiently advanced to give a fair idea of its character, and everybody who sees it appears to be pleased with its design and general appearance. The building committee have shown a great deal of energy in pushing the work as far as it has progressed. But they are now cramped in their operations for want of means. Next Tuesday night a benefit entertainment, dramatic and musical, will be given at the Theatre, in aid of the building fund. The Saints generally will be glad to see the building completed, and, as the object of the benefit is to aid in bringing about that result, there will, in all probability, be a crowded house.

A programme will be prepared and published in a short time, and it promises to be such a one as will insure the worth of their money, to those who attend, besides the consciousness of aiding a good cause.

"Uncle Josh."—One of the best pieces of character acting ever seen on the Salt Lake stage was Denham Thompson's "Joshua Whitcombe." After a most successful run in California this enjoyable play will be reproduced here next week. All who have not seen "Uncle Josh" should be sure not to miss this dramatic treat.

Improvement.—Z. C. M. I. has to-day commenced the erection of large and commodious stables, immediately in the rear of the store. This will be a great convenience, as the teams and vehicles have heretofore been cared for away from the premises. The structure will be a substantial brick building.
