ELGIN WATCHES!

MANUFACTURED BY

The National Watch Company

All the grades of the Elgin Watches
INCLUDING THE

"LADY ELGIN"

READY FOR

SPRING TRADE.

The company also call the attention of Watch
buyers to the fact that the Elgin Watches now
offered have an added improvement over all
others, in a new

PATENT DUST EXCLUDER

So constructed as to enclose the works, and
form a protection against dust, enabling the
movement to run in order without cleaning
double the time that a watch will ordi-
narily run without this protection.

The company feel confident, after having
had their watches three years in market, and
selling many thousands of them in all parts of
the country, that the Elgin Watches are the
best time keepers now offered to the
American public.

OVER FIVE HUNDRED DEALERS

In various parts of the land have unhesitatingly
endorsed them. They are in use upon num-
erous lines of Railway, including the Union
Pacific and the Pennsylvania Central, and
officers of these roads, with other prominent
R.R. officials, endorse them as the best watches
for the use of R.R. employees and travelers
yet introduced.

The following are presented as specimens of
these testimonials:

TESTIMONIAL.
UNION PACIFIC R.R., OFFICE OF GEN'L
SUPT, OMAHA, Dec. 18, 1890.
Hon. T. M. Avery, President National Watch
Co., Chicago, Ill.

Dear Sir:—During the month that I have
carried one of your "B.W. Raymond" watches
it has not failed to keep the time with so much
accuracy as I have had in any watch I have
used. For accuracy, time keeping, and
beauty of movement and finish, your watches
challenge my admiration, and I am confident that
in all respects they will compete successfully
in the markets of the world, with similar
manufactures of other nations. They need only
to be known to be appreciated.

Yours most respectfully
C. G. HAMMOND, Gen'l Supt.,
OFFICE OF THE HUDSON RIVER RAIL
ROAD, Gen'l Supt., New York, Jan. 17,
1891.

T. M. Avery, Esq., President National Watch
Co., Chicago, Ill.

Dear Sir:—The watch made by your company
which I have carried the past two months, has
kept excellent time. I have carried it frequ-
ently on engine, and have been on the road with
it almost daily. During this time it has run
uniformly with our standard clock.

Truly yours
J. M. TOUCEY, Gen'l Supt.,
The following dealers also, in various parts of
the country, have certified that they consider
the Elgin Watches to be the best time keepers
they have advertised them, as better finished,
correct and durable, than any in market of
similar price, and that they have great con-
fidence in recommending them to the public on
account of their general merit.
