

POLES WILL CELEBRATE BATTLE OF GRUNWALD

New York, Nov. 27.—The Polish population of every large city in the United States will unite with their people in Poland in a celebration on July 15, 1910, of the five hundredth anniversary of the battle of Grunwald, in which the forces of Poland destroyed the power of the Teutonic knights and placed their territories at the mercy of the Poles and their allies. The Poles of New York, New Jersey and Connecticut will join in a big New York City celebration with parades, mass

meetings and a great international banquet. The Poles claim 200,000 inhabitants in this city; 300,000 in Chicago, 100,000 in Pittsburgh and large numbers in Toledo and Milwaukee.

PRICE OF TURKEYS DROPS.

Chicago, Nov. 27.—Turkey prices

dropped suddenly yesterday and as a result speculators were buying up fowls left over from Thanksgiving day. The price yesterday was 17 to 18 cents a pound for dressed fowls. Country shippers did not send more turkeys to the market up to the end of last week, which indicated a shortage of turkeys and prices went up. Commission men

sent out appeals for more turkeys and they came in the first of this week in greater numbers than expected.

ROBERT RACON III.

Hempstead, N. Y., Nov. 27.—Robert Raccon, who will shortly succeed Henry White as ambassador to France, is ill

at his Long Island estate here as the result of a fall from a horse on Thanksgiving day. Mr. Raccon fell beneath the horse, breaking his collarbone and suffering severe lacerations. It is expected that the injury will be without complications and that Mr. Raccon's departure for Paris will not be delayed.

IT IS A WONDER.

Chamberlain's Liniment is one of the most remarkable preparations yet produced for the relief of rheumatic pains, and for lame back, sprains and bruises. The quick relief from pain which it affords is alone worth many times its cost. Price 25 cents, large size 50 cents. For sale by all druggists.

Walker's Walker's Walker's Walker's Walker's Christmas Shopping Guide

Shop Where Shopping Is Made Easiest ---
