LAST NIGHT'S DISPATCHES

EASTERN.

BOSTON, 13.—The common council have appointed a committee to consider the expediency of reorganizing the fire department.

WASHINGTON.—Several weeks ago Gov. Davis telegraphed to the Secretary of the interior that he would send Santanta and Big Tree to Fort Sill, to await the further action of the Texas authorities. It is held here, however, that when these chiefs shall be remanded to Sill the State can have no jurisdiction over them. There seems to be no doubt that the chiefs will soon be restored to their people.

WHEELING, Va., 13.—On Wednesday a party of masked men broke into the house of John Jennings, alleged leader of the band of robbers in Wetzel county, killed Jennings and fatally wounded his wife, who attempted to defend him.

CONCORD, N. H., 13.—The extensive woollen mills of Edward Brierly, at Milton Mill, with their contents, were burned yesterday; loss estimated at $75,000 or $100,000; insured for $25,000. The fire caught in the upper story, among the waste.

CHARLESTON, S. C., 13.—The annual decoration of the graves of the Confederate dead took place here to-day, there was a general suspension of business during the afternoon.

ATLANTA, Ga., 13.—Isham B. O'Neil was executed in the jail yard, for the murder of James Little; he died protesting his innocence and without a struggle.

NEW YORK, 13.—Before 1 o'clock this afternoon a great number of persons had assembled in the City Hall park and its neighborhood, to witness the removal of the body of the late minister Orr, while the city hall was filled with prominent Free Masons, members of the common council and others, who had come to participate in the ceremonies. Grand Marshal Elwood E. Thorne, in a brief address to Mayor Havemeyer, assumed charge of the remains. He thanked the city for the interest the corporate authorities had taken in the remains, and expressed his thanks and those of the family of the deceased to the mayor and common council. Mayor Havemeyer, in reply, expressed his acknowledgements for the trust reposed in the city, and conveyed his sympathy to the bereaved family.

NEW YORK, 13.—At two o'clock this afternoon all the municipal offices were closed as a mark of respect to the memory of the late United States Minister, James L. Orr.

Among the visitors who called at the government rooms to-day to view the remains were Major-General Hancock and staff, who also accepted the invitation to participate in the funeral ceremonies.

President Grant telegraphed from West Point his regret that his engagements would not permit him being present.

Twenty masonic lodges reported at the City Hall this morning, that will join in the funeral escort. About forty more lodges from this city, Brooklyn and Jersey City will also participate.

The procession included, beside the large representation from nearly all the Masonic bodies of this city, Brooklyn and vicinity, a large number of distinguished persons, officials and others. The body was escorted from the church of the disciples, where the religious services were held, to the foot of Eleventh Avenue, when the coffin was placed on a revenue cutter *en route* for Jersey, where a train was ready for its reception and removal to South Carolina. The streets through which the cortege passed were lined with people.

The excitement continues on the cotton exchange, but no additional failures have been announced. It is thought the worst is over and a panic will be averted.

The stock exchange will adjourn from July 3rd to the following Monday.

HUDSON, N. Y., 13.—The Columbia Bank, at Chatham, N. Y., conducted under the State banking laws, B. Bondbedge & Co., has suspended, creating great excitement in the village, as nearly every business man there had money deposited. The cause of failure was not made public, but it is supposed that the recent collapse of the Columbia Paper Company involved the bank heavily.

WASHINGTON, D. C., 13.—Secretary Robeson and others who conducted the *Polaris* investigation will meet this evening to agree upon a report.

WEST POINT, 13.—The examination of the graduating class of cadets was concluded to-day at 11 o'clock. The whole corps formed a square under the trees in front of the library building to witness the presentation of diplomas awarded according to class standing and rank. As each name was called, the cadet stepped forward and received a diploma from the president. Previous to the distribution, Gen. Belknap, Secretary of War, made a speech, to the cadets and at the close, Gen. Sherman made a short characteristic address full of good advice. This afternoon the cadets will receive their liberty and by nightfall most of them will have departed. Gen. Sherman and party will return to Washington this evening and to-morrow the President and family will return to Long Branch. Secy. Belknap will remain until Monday.

CINCINNATI, 13.—A fire on Commerce and Front Sts. this morning damaged stores and stocks of McDonald & Co., G. Weutzke, Ganther & Co., and the vinegar factory of Andrews & Co. Loss, $80,000, mostly insured.

LEAVENWORTH, Kansas, 13.—The Arlington House was burned last night; loss, 7,000; the store of Butler & Co., was burned on Wednesday night, loss $70,000, insurance $50,000.

NEW YORK, 13.—It is stated that an important conference of railroad magnates is now being held, the result of which is likely to be the formation of a trunk line from New York to the western terminus of the Union Pacific road, and eventually to San Francisco. It is believed that Horace F. Clark, new president of the Union Pacific and Lake Shore road will be made president of the Northwestern, which gives the Vanderbilt family control of the trunk line across the continent.

WASHINGTON, 13.—The internal revenue receipts to-day were $312,924, making a grand total for the fiscal year to date, $110,077,955, or nearly $78,000 in excess of the estimates. The total receipts this month were $4,061,732, and it is believed that there will be collected during the remainder of the month about four and a half millions more.

ST. LOUIS, 13. — Major Henry Ewing, principal proprietor and general manager of the *Daily Times* in this city, died to-day of typhoid fever after an illness of ten weeks.

PITTSBURG, 13. — The extensive tube works of Freeman and Burger, Railroad Streets, between 28th and 29 Streets, was destroyed by fire this evening, and the building, a two storey iron clad, was totally destroyed. The fire spread to the fitting shed of the Keystone bridge Co., which was also destroyed. The loss of Freeman & Burger amounts to $25,000, insurance, $12,000; of the Bridge Co., $2,000, fully insured.

WASHINGTON.—The body of father Anthony Ciriva was found in the Potomac river this morning; he arrived here about six months ago from the Indian country, where he had been serving as a missionary. He is believed to have committed suicide while laboring under temporary insanity. His remains were turned over to his friends of the church for burial.

CHICAGO.—It is stated here, on the best authority, that John F. Tracy, has tendered, positively, the resignation of the presidency of the Northwestern railway, on the ground of his inability to give the office that time and attention, which the growing necessities of the road require. He still retains the presidency of the Rock Island road, and his directorship and a large interest in the Northwestern. His successor will probably be selected at the meeting of directors, to be held at New York on Thursday next, and while it is said that the present directory is in the Tracy interest, and that he could name his own successor, there is a belief that H. F. Clark and Jay Gould will select the man.

WASHINGTON.—Before Mr. Morl left Washington he stated to his friends that he had tendered his resignation, but that it was declined, and after several months absence he would resume his functions here as the diplomatic representative of Japan. The members of the legation express much surprise at the recently published accounts in the newspapers to his detriment, and say that Mr. Mori possesses the entire confidence of his government. He left Marseilles on the 8th instant, by way of the Isthmus of Suez, for Japan, intending to visit Vienna on his return voyage to the United States.

MARYSVILLE.—A dwelling house occupied by a family named Pendleton, was burned yesterday, with its contents; Mrs. Pendleton was seriously burned.

EUROPEAN.

HAMBURG, 13.—The band of the regiment of Prince George, of the Saxon army, has sailed from this port for New York. The band has sixty members, and proposes to make a concert tour in the United States.

MADRID, 13.—In the Cortes, today, the official statement of the future policy of the new ministry was read. It is in favor of the speedy demarcation of the federal States, the restoration of discipline in the army, proclamation of martial law against Carlist insurgents, liberty for the Antelles and the suppression of slavery. It estimates the deficit in the finances, at the end of the present month, at 280,000 reals. Senor Mungo, the new minister of war, is a friend of Castellar; he announces that he will pursue the same foreign policy as his predecessors.

PARIS.—The demand of the military governor of Paris, for authority from the Assembly, to prosecute deputy Rane, causes a profound agitation at Versailles.

The government has decided to immediately transport Henri Rochefort to New Caledonia.

It is announced that the minister of finance will prosecute Gustave Courtasel for the recovery of the sum expended by the government, in the reconstruction of the Vendome column. Courtasel was the chief instrument of the Commune in destroying the column.
