TO BE of permanent benefit a medicine must reach the source of the disease. The reason why SCOVILLE'S BLOOD AND LIVER SYRUP is so successful in overcoming scrofulous, syphilitic and eruptive complaints is that it entirely roots out those impurities which give rise to them. The cause of the evil being thus removed and the normal purity of the circulation restored, the skin resumes its original clearness and sores and pimples disappear. Sold by all druggists.

THE scarcity of Diamonds, Gold and Silver, and the difficulties met with in securing them, is a sure indication of their value.

Thus it is with a valuable medicine: Dr. Aug. Kaiser's Celebrated German Pulmonic Elixir, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, sweep back the ocean with a broom or put out a prairie fire with a tear.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. Its cures are truly magical. Ask your Druggist for it. The genuine bears the Prussian Coat of Arms, the facsimile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department and Moore Allen & Co., Salt Lake City.

New Rendering of an Old Song.

"What is home without a mother?" says the old and popular ballad. Truly, what is home without her, if she be a bright, sunny-faced woman, healthful, hopeful, happy, always looking on the bright side of life, the beloved companion of her children, sending her husband out into the world every morning with a cheerful word of encouragement, and meeting him at night with a welcoming kiss! A home is indeed made desolate by the loss of such a wife and mother. Many a mother is not this "bright and shining" home light, less because of her disposition than because weakness and disease have deranged body and brain, making her irritable, peevish and fault-finding, even to those whom she best loves. Dr. Pierce's Favorite Prescription is a never failing remedy for female diseases. Hundreds of happy homes owe their brightness and attractiveness to this remedy, which transformed their wives and mothers from despondent, feeble invalids into healthful, hopeful women. dit

"My Policy."

Having long been a resident of this city, it has been my aim to ascertain the wants of its people, and then study to satisfy them. In purchasing that popular article known as HALE'S HONEY OF HOREHOUND AND TAR for Coughs, Colds, Influenza and all other affections of the Throat and Lungs, leading to Consumption, "My Policy" has certainly been appreciated, as can be seen by its largely increasing sale, by what the people say of it, our best physicians prescribing it, all the druggists recommending it, the testimonials received almost daily, proclaiming its wonderful cures, etc., etc. Ask your druggist for HALE'S HONEY OF HOREHOUND AND TAR and take no other. Price 50 cents and $1.

New York, Nov. 25, 1868.

Please send immediately three dozen Hale's Honey of Horehound and Tar.

LOCAL AND OTHER MATTERS.

District Court.—The tax case was in progress this morning before Judge Schaeffer. Judge McBride was still arguing for the plaintiffs.

Personal.—Mr. Joseph Parry, a member of the City Council of Ogden, is in the city and favored us with a pleasant call to-day.

No Business.—The Police Court has of late a deserted appearance, no business to speak of having come before Judge Pyper for some days.

More of It.—More of the beautiful snow to-day. The farmers like it, the sleigh-riders like it—every body likes it, except the loafer on the corner, who is thus compelled to move on. Let it come!

A Chance.—A shoemaker, one who is willing to do mending, etc., can receive information that may be of advantage to him, if he will communicate with Bro. John C. Hall, at Rockville, Kane Co., Utah.

Entertainment. — To-morrow evening a performance will be given in the 12th Ward Assembly Rooms, when an excellent programme will be presented. The popular "Mistletoe Bough," followed by songs, the whole concluding with "The Dutchman's Ghost," and tickets only 25 cents, should attract a crowded house.

Fountain Green.—A letter from Brother R. R. Lewellyn, Fountain Green, states that all meetings, schools, and public gatherings in that town have been discontinued for the past three weeks. This action was taken by the Bishop on account of the great amount of sickness prevailing, fully one half of the citizens having been afflicted. At the date of writing, however, Brother Lewellyn says the general health of the people was much improved.

Jurors.—Following is the list of names drawn at Ogden yesterday, to serve as grand and petit jurors for the February term of the Court. The even numbers indicate the names placed on the jury list by the Probate Judge, and the odd numbers show the names selected by the Clerk of the District Court. It will be seen that the latter are in the majority:

Suspicious.—Night before last a young man was seen hanging around the emigrant house in the Tithing Yard, by some of the workmen. His actions were noticed by the watchman, who asked him if he had a team in the yard. He said he had, and pointed out the span of horses which he said belonged to him. Upon this, the watchman, whose suspicions were aroused, left him, intending to keep a sharp watch upon him. After some dodging around, he started at a full run, hotly pursued by a man living in the emigrant house. The latter followed him over the wall on the north side of the yard, and about a block further, when he lost sight of him. Whether his object was to obtain free lodgings for the night, or whether he was seeking an opportunity to steal something, are questions which he alone can answer.

At this season of the year when all mining operations are suspended, a large class of suspicious persons are forced to come into the city, and people cannot be too careful about having everything of value well secured.

Post Office Business. — With the compliments of the post office authorities of this city, we have received a statement of the business done during the year 1878, a few selections from which we publish.

Total receipts from stamps, etc., box rent and waste paper, $19,821.-36; total expense of office, including salaries, etc., $11,492.07, which shows a net profit to the department of $8,329.29. Total receipts of money order department $274,-775.78; total disbursements, $273,-708.59. Whole number of registered letters, etc., handled during the year, 24,865. Total number of pieces of mail 808,966, of which the weight was 35,344 pounds. Value of stamps cancelled at the office during the year, $23,274.96. Number of letters received (including postal cards) 840,500; number delivered, 833,844. Total weight of mail sent from office, including city publications, 116,144 pounds.

The officers of the Salt Lake City Post Office are, Jno. T. Lynch, postmaster; Charles H. Moore, assistant postmaster; J. E. Bamberger, money order clerk; W. Goodrich, registry clerk; L. A. Billings, mailing clerk; E. R. White, ladies' delivery and stamp window; J. S. Kelsey, gentlemen's delivery, and E. Coleman, janitor.

The Escalante Murder.—Some time ago we published particulars of the murder of Washington Phipps by John H. Boynton, 15 miles east of Escalante, Iron County, on the 30th of November. Our information was derived from a correspondent, in whose letter appears the following sentence, which we published at the time: "Phipps is said to have been a quiet, unoffending man, and Boynton as mean and quarrelsome in disposition, having first sought the quarrel with Phipps, goaded him to resentment, and then cowardly murdered him."

We have received the following communication, dated Eagle Valley, January 7th, 1879, and signed by twenty inhabitants. If injustice has been done to anybody we wish to do all in our power to have the matter made right, and consequently publish the letter:

"We the undersigned citizens of Eagle and Spring Valley having seen the account in your paper of the killing of Phipps by John H. Boynton, and knowing nothing of the circumstances, wish, as an act of simple justice, to state that part of the account which relates to the character of the said John H. Boynton is quite incorrect, as after an acquaintance of from eight to ten years we unhesitatingly declare him to be a quiet, peaceable, law abiding man."

From Kanab.—Our Kanab correspondent, J. W. M. sends us an account of a pleasant picnic and party on Christmas eve., gotten up in honor of President L. John Nuttall. The people all assisted to make the affair successful. The school house was nicely decorated with evergreens, mottoes, portraits, etc. During the afternoon, songs, recitations and speeches were given, and after dinner a social dance was participated in by young and old.

Mortuary.—Sexton's report of Moroni City, Sanpete County, U. T., for the year ending December 31st, 1878: Males 4, females 2. Of these adults, 3; children 3. Cause of death as reported, dropsy, 1; accidentally drowned, 1; convulsion, 1; lung disease, 1; inflammation of the bowels, 1; not reported, 1; total interments, 6.
