The Rising of "Diplomats" Creates a
Sensation—A Pioneer's Story.

George Walker, one of the best
men in California, died at his home
last week. He was a pioneer in the
state and a successful business man.

Last week's Idaho Springs Gazette
published a story about a woman who
had been married for many years.

Some parties are said to be negotiating
for the sale of the Pioneer and City
papers. The price for the two papers
is said to be \$25,000.

The first Mrs. Murphy returned
last night from a visit to her home
in Idaho. She was accompanied by
her husband and two children.

There are some developments in the
case of the woman who was married
last week. It is said that she is
now in the hands of the law.

The Delmar, Idaho, company has
just completed the installation of a
new power plant. It is said that the
plant will be in operation by the end
of the month.
