The Liver Resps Peeple Wett. Woon the liver is sloggish at othe organs are involved. You suffer from unstigation, Billinguete, Joundier desidesite, Intigerities, Fain in Back intils and Loan of Sheryy. New will intils and Loan of Sheryy.

Do you know what an emulsion is?" It is when

each drop of the oil is broken

up into minute drops, so small you can hardly see them with the microscope: so minute that they pass at once through the tissues into the circula-

tion. Scott's Emulsion does

not disturb digestion, is not

unpleasant to take, and does not fail to do its work be-

not tail to do its work be-cause digestion can deal with it at once. You may be able to disguise the taste of raw oil and get it past the palate. You can't cheatyour stamach with it.
